No. 3. EXTENSION OF SERVICE.

The following members of the staff are granted extension of service for one year each from the dates shown against their names:

- Miss D. Sinclair  Matron   ...  23-11-1965.
- Mr. Bishna        Sweeper   ...  8-12-1965.

R. Som Dutt
Major,
Headmaster.
THE LAWRENCE SCHOOL ORDERS.

No. 1. WELCOME.
The Headmaster would like to welcome to Sanawar all members of the staff and the children, and would like to wish them a very happy and successful term in school.

No. 2. SCHOOL PROGRAMME.
Normal timings will be observed with effect from Monday, 28th February. Supper will be at 7-00 p.m. until further notice. M.I. timings will be as for last term. A detailed programme will issue later.

No. 3. MEDICAL.
On return to school on February 26th, 1966, children must report first to their Matrons. Leave Slips, which incorporate Medical Certificates, will be handed over to the Matron concerned, who will forward them to the R.M.O. on Sunday, 27th February, 1966. In no case will a child be accepted in a Department without a medical certificate. Any child without this certificate, as also any child who appears unwell on arrival, will be sent immediately to the R.M.O. This applies in particular to children who have coughs and colds. Any case of unfitness for admission on medical grounds will be reported immediately to the Bursar by the R.M.O. for orders.

No. 4. WATER SHORTAGE EMERGENCY.
The winter rains have again failed almost totally. Consequently there is a very serious water shortage throughout these hills. Our water supplies from Kasauli have already been drastically reduced and will probably be reduced even further as the weather gets warmer.

As a result, extremely strict water rationing has had to be imposed throughout the school and the consumption of water for all purposes whatever has to be restricted to the absolute minimum by all children and all categories of staff whatsoever. Staff quarters will receive water only for one hour daily between 7-00 and 8-00 a.m.
All concerned are also reminded that the sanitary flushes will not refill themselves except during those hours when the water supply is turned on. Indiscriminate use of the chain is to be avoided.

Due to the water shortage it has also not been possible to wash any durries during the vacation, nor will it be possible to do so until further notice. The dhobis have strict instructions not to accept durries from any source for washing.

**THE USE OF FRESH TAP WATER FOR WATERING PLANTS AND GARDENS IS COMPLETELY PROHIBITED.**

It must be emphasised once again that the water position is extremely serious and precarious and that it is absolutely essential that every one at the school, including all children and all categories of staff, do everything in their power all the time to ensure the minimum consumption of water. This includes, among other things, the proper closing of all taps and the immediate reporting to the Engineer of all leaking taps, pipes, tanks, flushes etc., etc.

Since some storage of water will be necessary, the Engineer has prepared—and has ready for sale—empty kerosene oil tins, which may be drawn from him on payment.

**THE ENGINEER HAS EXPLICIT INSTRUCTIONS TO DISREGARD ABSOLUTELY REQUESTS FOR RELEASE OF WATER OUTSIDE THE HOURS MENTIONED ABOVE.**

Any unauthorised tampering with water pipe connections or taps will be viewed very seriously indeed and will automatically incur disciplinary action.

**No. 5. RECEPTION.**

New admissions will be made on 28th February to 4th March. All new parents on their arrival will be guided to the Parents' Rooms, where the Quartermaster will arrange for fires, hot water, towels, soap etc., to be available. B.D. Kitchen Matron will arrange for tea and biscuits to be available for parents at the School Office from 10-00 a.m. till 12-30 p.m. and from 3-00 p.m. to 4-00 p.m. daily.

The Quartermaster will also please arrange for the gardn umbrellas etc. to be put up in the garden opposite the Mistresses Common Room.

Mr. Jagdish Ram and Mr. Pillai will be on duty from 9-00 a.m. to 4-00 p.m. in the Parents' Rooms to guide parents on the reception dates.
From the Parents' Rooms, parents and the children together with their luggage, will be taken to the office. From there children will be directed to the Deputy Headmaster in the case of Senior School, and to the Mistress I/c Prep. School in the case of children for admission to the Prep. School, for an interview and test. When a number of children are waiting while others are being tested, they should first be taken along with their parents to the hospital for medical examination by the R.M.O. Miss Rudra will arrange for children to be tested in the School office. After having tested them the Deputy Headmaster/Mistress I/c Prep. School will return the children to the School office along with their reports. All financial and other formalities will then be completed there by parents in the School Office. Thereafter the children will proceed to their respective dormitories along with their Admission Slips, duly signed by the Bursar, which will be handed over to the Asstt. Matrons concerned.

No. 6. LATE ARRIVALS.

All Housemasters/Housemistresses are requested to report to the Headmaster late arrivals among the older children, i.e. of LIV and upwards, together with their explanations for late arrival. If children arrive late for reasons which are not covered by a Medical Certificate or the Headmaster's sanction disciplinary action will be taken against them as under:

1. They will be denied WOPs for the whole of March.
2. They will be denied pocket money till the 7th March.
3. They will not be permitted to attend any cinema shows till the 7th March.

No. 7. NEW ADMISSIONS—RATIONS.

New children will be arriving as below, and in every likelihood parents accompanying them will require lunch or, in some cases, tea. Would Matrons I/c Kitchens please indent for three extra rations per new admission from the Quartermaster to enable parents to lunch/tea in the respective departments:

No. 8. CLOTHING.

February 26th and 27th will be devoted to issuing clothes to the children according to the scale laid down. All clothes will bear either the names or the numbers of the children and initials of the House in the case of B.D. and initials of the Departments in the case of G.D. and P.D. All this work of marking clothes must be completed by the evening of Saturday 5th, March.

Clothes will be issued to Day Scholars in all Depts. at 2-00 p.m. on Sunday 27th February.

All Matrons will please try to provide new children with new clothes as far as possible.

All Matrons will please ensure that children are in possession of and do, in fact, wear warm woollen vests in order to prevent children taking chills and colds.

Long grey flannel trousers will be worn by all boys until further notice.

No. 9. STRENGTH RETURNS.

Matrons will send numbers of children present and the names of the children on leave or absent to the office every day by 3-00 p.m. If there is no change a slip saying no change will be sent.

No. 10. LOSSES.

All Matrons are requested to ensure that losses on account of dhobi shortages, theft, or by children, are reported immediately to the Bursar. All these reports should be in writing and dated. For Matrons' information, losses reported at the end of the term, particularly when these losses concern losses by children, lead to very angry comments from parents and it is then too late for either the Housemaster or the School to investigate the matter. Dhobi shortages on account of dhobi washes, or damage done to clothing by dhobies must be reported in writing to the Bursar forthwith and the signature of the dhobi obtained on the dhobi-account book. A Loss Slip duly signed by the dhobi must also be sent along with the report.

No. 11. CRICKET.

The festival match will take place on Sunday, 7th March:

Hours of play:

10-00 a.m. to 12-30 p.m.
1-00 p.m. to 3-45 p.m.
B.D.K. Matron will arrange lunch for 30 players and officials and tea for 80. Staff and their wives and/or husbands are cordially invited to witness the match and to stay on for tea.

No. 12. NETS.

The Head Boy will ensure that none of the prepared pitches is used without permission. Nets for the 1st XI and the Staff will be arranged by Mr. Jagdish Ram.

No. 13. WEIGHING & MEASURING.

Dates will be intimated later.

No. 14. WALKING OUT PASSES—NEW ADMISSIONS.

No newly admitted children will be granted WOPs, nor will their parents be permitted to visit them until the 2nd Sunday of April, namely Sunday the 10th April. This will give these children time in which to settle down. This must be explained by House Staff and Asstt. Matrons to parents or guardians when they arrive.

No. 15. DOGS.

All dogs must be registered with the School office immediately. A fee of Rs. 5/- per dog is levied. Steps are being taken to remove all stray dogs by the end of this week. All servants have been informed that they lay themselves open to serious action if any unregistered dogs are found around their quarters.

The co-operation of the Staff is asked in helping to remove stray dogs completely from Sanawar. Decisive action now will rid us of the problem for months ahead.

No. 16. SANITATION.

Members of the staff are requested to ensure that their private sweepers do NOT throw rubbish, etc., down the khud side or into drains. Should any private sweeper be found doing so, he will be liable to a fine, and should there be any difficulty in the recovery of the fine, the sum will be recovered from the employer; failing this the sweeper will be removed from the School premises.

Members of the Staff are requested to make this quite clear to their servants and to explain to them that this rule will be a condition of employment.

No. 17. HOUSE FOUNDED ACCOUNTS.

Will all Housemasters and Housemistresses please obtain an advance of Rs. 100/- each from the Cashier and arrange payments
of the bills for the purchases made by them for their Houses. When the balance of the advance is exhausted will they kindly submit the statement of the expenditure along with receipted bills to the Bursar, who will arrange for the recoupment of the advance.

</tr>
</tbody>
</table>

Staff are requested that, except in emergencies, children should not be sent to the hospital except during working hours.

The R.M.O. will not visit sick members of Staff in their quarters except when such members are too ill to report to the hospital at the timings given above.

No. 19. MATERNITY CASES.

Maternity cases will be undertaken by the School Hospital subject to the following provisions:

1. The R.M.O. must be informed of all pending maternity cases within the first three months of pregnancy. This is most necessary in the interests of the expectant mothers themselves, and Staff in charge of Depts, are requested to emphasize the importance of this on all their Class IV staff.

2. Attendance at the hospital for ante-natal care as instructed by the R.M.O. or the Nursing Sister.

3. Admission to the School hospital at the time of confinement or when instructed by the R.M.O.

Neither the R.M.O. nor the Nursing Sister will take cases except on these conditions, and Staff are advised in their own interest to abide by them.

Subject to the conditions mentioned above Rs. 10/- per case will be charged for a maternity case if conducted in the hospital, and Rs. 25/- if conducted at the residence of the person concerned.

This order applies particularly to Class IV employees.

A Dai is available for conducting maternity cases of Class IV employees only, and, when not so engaged, for assistance in the School hospital. It is regretted that her services are not available except for these purposes.
No. 20. SCHOOL OFFICE.

Members of the Staff are requested not to deal directly with the office staff, except through the Bursar, as this interferes with their routine duties.

No. 21. ELECTRICITY CONSUMPTION.

Will all concerned kindly take special pains to effect the greatest possible economy in the use of electricity? Asstt. Matrons h/e of dormitories in particular are requested to exercise effective supervision in this matter.

No. 22. ISSUE OF INDENTS BY QUARtermaster.

Will all members of staff concerned and the Quartermaster kindly note that, when an indent is to be issued to the person making the indent, the actual time of the issue is to be fixed in personal consultation between the indenting member concerned and the Quartermaster, according to the mutual convenience of both and not merely according to the convenience of the one or the other. Furthermore, such time once fixed shall not be changed unilaterally by either the member concerned or the Quartermaster, but only after mutual consultation. Such changes should not ordinarily be necessary at all but only in emergent and unforeseeable circumstances. The time so fixed should not be between 3-00 and 4-00 p.m. on full working days or between 12-00 noon and 1-00 p.m. on Saturdays.

It is the duty of the Quartermaster to have all items to be issued ready for immediate issue punctually at the time fixed, thus ensuring that no unnecessary delay occurs and that indenting staff members are not held up at the Stores for more than the minimum time necessary to actually issue the articles indented for.

Any difficulties in implementing this order should be brought to the notice of the Bursar.

No. 23. STAFF VISITS TO Q.M. STORES.

All staff members are reminded that any staff member wishing to see the Quartermaster on business should see him in his office between 3-00 and 4-00 p.m. only on all working days of the week except Saturdays when they should see him between 12-00 noon and 1-00 p.m., except for taking indents and also as provided below.

Members of the staff will please not visit the Quartermaster or the Q.M. Stores at other times, except by prior mutual arrangement with the Quartermaster (for receiving indents, for example), or
in really emergent circumstances, or where, by reason of routine School duty, it is not possible for them to visit the Stores at the specified times.

The three Kitchen Matrons will continue to go to Stores daily between 10-00 a.m. and 11-00 a.m. as usual.

No. 24. STAFF SUPPER TIMINGS.
Those members of the Staff who take their supper in departments are reminded that they are required to sit down to supper not later than 7-30 p.m. at the very latest. This timing, which is very necessary for administrative reasons, may please be strictly observed.

No. 25. STAFF CLUB: BADMINTON.
Gaskell Hall will be available for badminton from 5-30 p.m. to 8-00 p.m. daily for all members of the Staff Club.

It is requested that members playing badminton will kindly bring their own badminton rackets. Shuttlecocks will be provided by the Staff Club.

No. 26. STAFF RATIONS & FUEL.
On return to School on Saturday, 26th February, 1966, Staff members/families in need of milk, sugar, atta etc., may obtain small quantities on loan from Kitchen Matrons for their immediate use. The equivalent amounts must be returned to Kitchen Matrons as soon as possible and Kitchen Matrons will ensure that this is done. For wood and coal Staff Members/families will send chits to the Quartermaster giving their minimum requirements for their immediate needs. The Quartermaster will arrange for the fuel to be delivered to the quarters of the persons concerned not later than the same evening, i.e. Saturday, 26th, evening. Rations on payment will normally be issued to staff between 3-00 p.m. and 4-30 p.m. on the first and third Thursdays of each month.

Wood fuel, coal and k. oil on payment will be issued between 3-00 p.m. and 4-00 p.m. on the first and third Wednesdays of each month.

Staff are requested to send their requirements slips to the Quartermaster by 11-00 a.m. on ISSUE DAYS. They should also send necessary packing material to collect items from Stores as no packing will be issued from Stores.
The Quartermaster has authority to reduce indents, if he considers it necessary. It is always advisable to submit full monthly requirements in the first week of each month.

Staff are requested to obtain their requirements of vegetables, fruit, eggs, etc., from the contractors. Servants may not be sent to the Q.M. Stores for these items as it interferes with official routine. Meat requirements can, however, be obtained at the Ration Stand at 11-30 a.m. on the days when meat is supplied.

No. 27. LOSSES SUFFERED BY STAFF.

All members of the Staff are informed that the School is unable to accept responsibility for the investigation of any losses suffered by them on account of theft, resulting from their own negligence with regard to their personal property left lying about unprotected.

No. 28. SCHOOL PURCHASES BY STAFF MEMBERS.

It has been found that, from time to time, certain staff members have made purchases of various items for the School on their own initiative without first obtaining permission to incur such expenditure. In order to enable a proper control and regulation of the School finances it is emphasized that no purchases of whatever nature may be made against the School account without the express permission in writing of the Headmaster or the Bursar. Failure to observe this procedure will render the person concerned liable to make good from his own pocked the sum involved.

No. 29. FURNITURE INVENTORY BOARDS.

Detailed furniture inventory boards are provided in all School departments and residences of Staff members. It is the personal responsibility all concerned to ensure that these inventories are kept carefully and made available when required. All concerned are requested to check these inventories carefully on return to School and to report any discrepancies immediately to the Quartermaster.

In this connection it is also specifically brought to the notice of all concerned that articles of School furniture provided in departments and Staff quarters may not be removed therefrom or exchanged or interchanged without the permission of the Bursar or the Quartermaster. When any such changes are permitted, they shall be noted in the furniture inventory of the department/quarter con-
cerned under the joint signatures of the staff members concerned and
the Quartermaster. Departments and Staff members are held respon-
sible for the proper maintenance of all School furniture on issue
with them.

The Hikers’ Club has been founded with M/s Bhupinder Singh, Sikund, Mundkur and Nirmaljit Singh Pannu as founder members.

The object is to encourage in staff and children a spirit of adventure and cheerful readiness to accept the hardship involved.

Staff and children who achieve certain minimum standards, which will be published in full detail in the Sanawar News-letter, will come up for consideration for election at meetings of the senior members of the Club.

Members will be entitled to wear a hiker’s badge which is now being designed.

The following former members of the staff and students were elected to the Club:—

Staff
M/s V.D. Vyas, Saleem Khan, O.P. Sharma & Peter Lee.

Students
Amarjit Singh Bajwa, Jugvirinder Singh & Gurvirinder Singh Talwar.

Those aspiring to membership will be divided as under:—

(a) Juniors—L-III & U-III, with the following minimum standards of achievement:—

(i) Gorkha Fort (day’s hike) to be completed in fourteen hours.

(ii) Kuthar (day’s hike) to be completed in about eleven hours.

(iii) Subathu (day’s hike) to be completed in about seven hours.

(iv) In addition any distance, not less than twenty miles per day, as may from time to time be covered in the neighbouring hills in about twelve hours.

(v) Organised hikes undertaken during the camp period covering a distance not less than forty five miles in three days.
In order to qualify for membership at the close of the junior stage a child should have undertaken at least ten of the suggested one day hikes from L-III to U-IV, and two Saturday—Sunday hikes, along with some senior members of the club, in the last two years of the Junior stage.

(b) Staff and Seniors (L-IV to VI), with the following minimum standards of achievement:—

(i) Gambhar (via broken bridge) day's hike, to be covered in nine hours.

(ii) Ozark (over-night hike) to be covered in twenty-nine hours along with packs.

(iii) Gorkha fort (day’s hike) to be covered in ten hours.

(iv) One day hike, the return journey by bus:—

1. To Simla, to be covered in about sixteen hours.
2. To Chail, to be covered in about sixteen hours.

(vi) In addition any distance not less than twenty miles per day as may from time to time be covered in the neighbouring hills in not more than nine hours.

(vii) Courses undertaken in the Himalayan Institutes of Mountaineering will also entitle individuals to membership of the Club.

(viii) Any commendable performances in the past school period which come up to the expectation of the Club will also be considered for membership.

In order to qualify for membership to the Senior Hikers' Club an individual should have undertaken at least four one-day hikes, two over-night hikes in the year and three major hikes from L-V to VI.

No. 63. HIKES & EXCURSIONS DURING THE PERIOD OF THE CAMP 1st to 8th May.

It will both relieve pressure on accommodation and afford happiness to a great many if Housemasters/Housestaff (BD) would take advantage of the eight days available to plan long hikes/excursions to places of local/outside interest. The earlier this is done the more successful will such plans be.
P. D. may, if they so wish, permit children to go home, provided parents do not live further away than Delhi.

No. 64. MATHEMATICS.

While El. Maths. will count for the award of a first division, the Secretary of the Council for the Indian School Certificate Examination, vide Minutes of the 9th meeting of the Council held on 24th and 25th April, 1965, wishes to make it quite clear that if a candidate wishes to proceed to a university and study Science, then it will be necessary for such a candidate to offer the subject Maths. with Add. Maths.

Consequently, all children are advised in their own interests not to proceed on the assumption that a first division with El. Maths. will entitle them to appear for a Science degree in all universities.

Taking Add. Maths will also be a help to children to pass the entrance tests to the I.I.T. for Engineering.

No. 65. COMMUNICATIONS TO OFFICE REGARDING CHILDREN.

When addressing any communications to the School Office regarding children will all Staff members kindly write the names of children in full and also mention the House and Deptt. This is necessary in order to avoid confusion, since the initial letters of the names of many children are the same.

No. 66. CASH FROM SCHOOL OFFICE.

When receiving or taking cash from the School Office all staff members are advised in their own interests to count the cash carefully before signing the receipt. This is necessary because it is not possible, once the receipt has been signed in token of the correctness of the amount, for the office to make good any subsequent alleged deficiencies.

No. 67. G. D. CLOTHING.

During the periods:—

(1) from the beginning of term till the 15th April, and

(2) from the 1st October till the end of term,

the Senior Mistress may, from time to time as and when considered desirable on account of the vagaries of the weather, permit the wear-
ing with games kit of long-sleeved cardigans in addition to sleeveless cardigans.

Provided that long-sleeved cardigans shall not be worn by children while actually participating in afternoon games.

Provided further that the wearing of long-sleeved cardigans in addition to sleeveless ones will be at the discretion of children individually and will not be made compulsory.

No. 127. SIGNING OUT MEALS ON SUNDAYS—G. D.

It has come to the Headmaster's notice that girls, in possession of Tuck, are signing out for supper on Sundays. This practice will cease forthwith, because Tuck cannot be a substitute for a balanced meal. The Headmaster would also like to point out that Tuck, under the rules of the school, is limited to one parcel a term.

No. 139. TRAVELLING ARRANGEMENTS MID-TERM
BREAK : LUGGAGE.

In order to reduce the amount of luggage being taken
down during the short summer break, the Headmaster proposes to
restrict the amount to an attache-case and a hold-all, and in cases
where children possess no hold-alls to a small tin box per child ex-
cept in the case of children proceeding to hill stations.

For those children who prefer to dispense with a hold-all
or a tin box, the Headmaster is arranging to supply, on payment
small travelling bags, large enough to include all that a child could
possibly require for the move down and for the holidays themselves.

Will Housemasters/Housemistresses please inform the
office by next Tuesday, the 14th June, of the number of these bags
which will be required.

There is obviously no purpose in taking down warm bed-
ding or warm clothes, during the summer break. The co-operation of
all children and Staff is requested in this behalf.

No. 140. FOUNDER’S.

There will be a full meeting of the staff in the M. C. R. at
12:30 p.m. on Saturday, 18th June. At this meeting the detailed
final programme will be decided and duties will be allotted.

Will all members of the staff kindly come prepared with
any suggestions and ideas they may like to make, and also with the
names of the children they would like to retain for any particular
Founder’s items?
It is also proposed that all requirements of members of the Staff for Founder's will be intimated to Q. M. not later than 25th June, 1966. This will enable the Bursar to decide what articles may be purchased during the vacation by those staff members who may wish to purchase such items from outside, and also to decide the financial limits for such purchases.

Where appropriate, two lists should be prepared, the first being of those items which the staff members concerned would like to purchase personally during the mid-term vacation, and the second list being of all other requirements which are to be arranged by Q.M. No. 141. CONDEMNATIONS.

The Bursar will conduct condemnations of items considered by Matrons to be beyond repair in B.D., G.D., & P.D. commencing Monday, 13th June, with the object that all condemnations be completed before the end of this half-term and replacements arranged by the Quartermaster during the mid-term break.

Matrons' l/c dormitories and kitchens are requested to go through their stores and stocks in hand and to prepare, in advance, in their Condemnation Books, lists of items they wish to have condemned, so that there is no delay in conducting condemnation proceedings. No item will be inspected for condemnation unless it is washed and clean.

The condemnations will be conducted according to the following programme:

THE LAWRENCE SCHOOL ORDERS.

SANAWAR, 28TH JUNE, 1966.

SPECIAL ORDER

Mid-term Vacation Arrangements—1966.

No. 172. GENERAL.

(i) Children going home with their parents will be allowed to leave Sanawar after 9.00 a.m. on Saturday, 2nd July, 1966, (home day). Such children must in no circumstances be permitted to leave Sanawar unless their parents/guardians, or their duly authorised representatives, call for them. The only exceptions to this rule will be senior children who go home to Kasauli.

(ii) Children travelling in School parties will also leave on the same day, as detailed later in this order.

(iii) Children in hospital on home day will not be allowed to go home unless certified fit to travel by the R.M.O. Such children will only be permitted to go home with their parents/guardians and will not be allowed to travel with School parties.

(iv) No School bedding, clothing or other School property may be taken away from Sanawar. Matrons must be careful about School clothes and ensure that they are not exchanged with home clothes. This rule must be strictly enforced.

(v) House Staff will please note that all dentists in respect of individual children requiring travel money must be put in to the Bursar well in advance, and in no case later than Thursday, 30th June. Travel money required by individual children will not be issued by office after that day.

The normal travelling money for School parties will be sent to escorts on Friday, 1st July, by the School Office.

(vi) Members of staff entrusted with sums of money for children in School parties must keep detailed accounts of all expenditure incurred. These details must show the exact amount of money handed over on the completion of the journey. The best course would be to hand money over direct to the parent or guardian meet-
ing the child or to refund balances to the office. These detailed accounts of expenditure and all refundable balances should be submitted to the School Office immediately on the termination of escorts' journeys.

(vii) Staff must ensure that all doors and windows are properly bolted before they lock their residences and departments. Window panes must be replaced before they leave. They will also please ensure that all electric lights are switched off in their quarters and departments before they lock them.

(viii) Before leaving Sanawar all staff members must enter their leave addresses in the address book at the School Office.
ESCORTS' MEETING.

A meeting of all staff members escorting school parties will be held in the Masters' Common Room at 10-30 a.m. on Friday, 1st July. All such staff members are required to attend.

DISCIPLINE—and INDISCIPLINE.

(i) All children travelling in School parties are subject to School discipline until handed over to their parents/guardians. All escorts will please personally see that the children under their charge maintain discipline at Kalka and during the journey. Senior boys and girls, particularly prefects, are expected to assist escorts in this matter.

(ii) Immediately after reaching their party destinations members of staff acting as escorts to school parties will report to the Bursar in writing the names of any children who acted in an indisciplined manner or failed to behave themselves properly during the journey. Such children will not be accepted in school parties in future and their parents will be informed accordingly.

TRAVELLING DRESS.

Children travelling in school parties will dress as follows:

Girls: Salwar, qamiz and dupatta, or skirt and blouse.

Boys: Shirts or bush-shirt with trousers or shorts and stockings

Jeans will not be worn by either girls or boys.

SANAWAR DEPARTURE ARRANGEMENTS.

Details are given in the Annexure to this Order. Also attached with this Order are detailed lists of school parties, and (for escorts only) a copy of the Instructions for escorts.
LUGGAGE ARRANGEMENTS.

(i) All luggage must be labelled with the owner's name, Department, House, home address and station of destination. For this purpose all School parties have been allotted the serial numbers given below, which serial numbers are printed partywise on the luggage labels (which should be obtained from the School Office by all concerned):—

(ii) Staff members and their families travelling with School parties are expressly requested to label their own luggage with these serial numbered labels. Such staff members must inform the Quarter-master by the evening of Thursday, 30th June, of the number of packages (luggage) to be collected from their quarters.

(iii) Asstt. Matrons are responsible for the correct labelling of the luggage of all children. They will please see that labels are firmly pasted on. They must first ensure that all old labels are completely removed.

(iv) Luggage of all children travelling in School parties (except Simla and Bombay VT parties) must be ready by 10.00 a.m. on home day. Such luggage will be collected by School mazdoors and taken to Gaskell Hall. In Gaskell Hall luggage will be stacked according
to School parties as shown above, i.e. in accordance with the serial numbers printed on their labels. The Engineer will further arrange to paint the appropriate serial numbers on all holdalls after they have been brought down to Gaskell Hall.

(v) The luggage of all children travelling in the Bombay V. T. party (except for very light hand-luggage, e.g. air bags), must be ready in Depts. by 6-00 p.m. on Friday, 1st July. The Quartermaster will arrange for it to be-collected from Depts. at that time, and for it to be loaded immediately onto the school bus. This party will depart from the Quad. in the school bus at 5-30 a.m. on Saturday, 2nd July.

(vi) Luggage of all children going to Simla must be ready at the Bakery by 6-45 a.m. on home day. The Quartermaster will arrange for this luggage to be transported to the Bakery from departments by the mazdoors and loaded on the Simla bus, which will come up to the Bakery itself at 7-00 a.m.

(vii) The Quartermaster will arrange for the luggage truck(s) to be present at the Quad. not later than 9-45 a.m. Heavy luggage, i.e. boxes, hold-alls, etc., will be despatched by the Quartermaster to Kalka by truck not later than 12 noon. However, in the cases of those parties which leave Sanawar last at about 7-00 p.m. (ordinarily the Amritsar and Calcutta parties) although their trunks should be despatched by truck by 12 noon, their hold-alls and hand luggage should accompany them on the buses in which the parties themselves travel. The Quartermaster will please ensure this. The Quartermaster will also ensure that the two sets of serially numbered poles (used for sorting out and stacking luggage at Kalka railway station) are sent in the first truck. Mr. Mukherji will be i/c of all luggage arrangements at Kalka and all problems and enquiries should be referred to him. It is specially pointed out that although Mr. Mukherji is in general charge of all luggage arrangements at Kalka, escorts on arrival there are required to assist him in supervising the sorting out at Kalka of the luggage which travels with them in School party buses to Kalka. Children must not be permitted to touch any of their luggage at Kalka Railway Station or to put it into trains until permitted to do so by Mr. Mukherji. Escorts and children will supervise the loading of their luggage into their compartments by station mazdoors after having been permitted to do so by Mr. Mukherji.

(viii) The School accepts no responsibility for losses, and staff and children alike must supervise the loading of luggage.
(ix) Children are warned not to give any money to the school servants for carrying their luggage to Gaskell Hall or the Bakers or to porters at the Kalka Railway Station.

ALLOTMENT OF ACCOMMODATION IN TRAINS.

Mr. P. C. Gupta of the School Office will be present at Kalka Railway Station and will be in charge of the allotment of seats in coaches and sleeping cars to all School parties. Escorts are requested to contact him there in this connection.

LUNCH, TEA AND SUPPER PACKETS.

(i) Lunch. Lunch will be at 12:00 noon in all departments on homeward.

(ii) Tea. Buns, fruit and tea will be served in the B.D. Kitchen at 5:00 p.m. for all members of the Calcutta, Amritsar and Pathankot School parties.

(iii) Supper Packets. Supper packets (all of which will be vegetarian) for all School parties will be issued in Gaskell Hall half an hour before parties leave Sanawar for Kalka. They will be issued in baskets. Given below is a statement naming the member of Staff who will be responsible for collecting the supper packets for the School party indicated. Also shown is the number of packets for the various School parties (includes packets for escorts and their family members). It will be the personal responsibility of the staff member mentioned below to collect from Gaskell Hall the correct number of supper packets half an hour before the party is due to leave Sanawar, have them loaded on to the bus in which they travel to Kalka, and have them unloaded at Kalka, and to ensure their safe custody at Kalka and their subsequent proper distribution to all members of the party. They will also arrange, if possible, to have the empty baskets handed over to Mr. Mukherji at Kalka after having distributed the supper packets and before the train leaves:

No. 204. DOGS AT SANAWAR.

1. In view of the general increase of the incidence of rabies in the country, and the consequent risk involved, the following instructions are issued for strict compliance. They apply to all categories whatsoever of the staff and employees of the school, their family members, relations and dependents living on the school estate, and also to any guests who may stay with them for more than one week at a time. They come into force immediately. Staff are not otherwise permitted to keep dogs at the school.
2. All heads of departments will please collect all members of staff and employees working under them to whom copies of School Orders do not go and/or those who cannot read these instructions themselves, and will explain the instructions to them in detail and satisfy themselves that they have understood them.

3. The responsibility for the observance of and compliance with these instructions is entirely that of the owners of dogs and is not the responsibility of the RMO, the School Office or anyone else. Normally a brief reminder will be published in School Orders in March annually, but non-publication of such a reminder will not absolve owners of their responsibility to comply with these instructions.

4. With effect from September 1st, 1966, any dog found within the school limits without a collar or found without the relevant year's dog token attached to its collar will be liable to be destroyed on the spot. (The procedure to obtain the year's dog token is explained below).

5. All owners of dogs will, in April annually (and in any case before the 1st May):

   (i) register with the School Office all dogs owned by them, and
   (ii) produce to the School Office a certificate from the RMO of inoculation against rabies in respect of each dog owned by them.

   Note: (1) When dogs are acquired after the 1st May, the above action will be completed by owners within one month of the acquisition of the dogs [but also see the Note under para: 8 (d) (i) below].

   (2) The term “dog” includes bitches and puppies of all ages.

   (3) The annual dog fee of Rs. 5/- and the inoculation fees will be recovered from the pay bills of owners after production of the inoculation certificates in the School Office.

6. (a) On fulfilling the requirements of para 5 above the owner will be issued by the School Office a dog token valid for one year i.e. from the 1st May to the 30th April next. The year for which it is valid will be found stamped on it, e.g. 1966/67.

   (b) If a dog token is lost during its period of validity a new one must be obtained immediately by the owner. This will cost him Rs. 2/- per token.
7. Owners failing to comply with the provisions of paras 5 and 6 (b) above will be fined Rs. 5/- per month per dog until those requirements have been fulfilled. In addition, of course, their dogs will meanwhile be liable to be destroyed if found within the school limits.

8. Inoculation against rabies.

(a) The RMO will arrange for the inoculation at the School hospital of all dogs brought to him for inoculation.

(b) Rs. 2/- will be charged per inoculation. This will be recovered from the pay of the owner.

(c) Having inoculated a dog the RMO will give the owner a dated and signed certificate of inoculation. This certificate will be given by the owner to the School Office.

When a dog has been immunized by someone other than the RMO a certificate from the RMO must still be obtained by the owner. This the RMO will furnish only after having satisfied himself from proper documentary evidence that the dog has in fact been satisfactorily immunized.

(d) (i) Dogs which have not previously been protected against rabies will in the first year be inoculated twice, the second inoculation being given six months after the first one. The RMO will issue the appropriate inoculation certificate in respect of each such inoculation and each certificate must be given to the School Office by the owner immediately after the inoculation.

Note: Puppies must receive their first inoculation at the age of four months.

(ii) Dogs which have been protected against rabies previously will be re-inoculated once annually.

(e) All dog owners must contact the RMO in good time in April annually and ascertain from him the date and time when they should bring their dogs to him at the School hospital for inoculation.
9. Dogs owned by staff members and school employees etc other than those whose names are borne on the printed annual Staff List are not permitted loose in the school area above the level of the road from the school main entrance to Moti Corner via B.D. Kitchen and below the School hospital, or above the level from Moti Corner to the school main entrance along Long Back, and are liable to be destroyed if found there.

10. This year, 1966, the requirements of para 5 above must be completed by all dog owners not later than the 31st August next. They should therefore contact the RMO immediately for the inoculation of their dogs and for obtaining inoculations certificates from him.

as per cyclostyled programme issued separately.

Every effort should be made to make dress rehearsals as complete and polished as possible.

All members of the staff and their wives are advised, purely in their own interests, to attend the full dress rehearsals, when they can make certain of good seats and also help the performers by providing a thickened audience. This advice must not be misconstrued as debarring any members of the staff from attending the
final performances during Founder’s. The are most welcome to
attend these in whatever seats are available after visitors and guests
have been accommodated.

No. 226. POST-FOUNDER’S SOPs.

SOPs may be granted entirely at the discretion of House-

past experience of parents who have abused these privileges will be

will affect their children, will be taken should there be any departure
from the dates and timings given:—

No. 230. FOUNDER’S.

Members of the staff are bound to be asked by parents and
friends for accommodation with them during Founder’s.
While the Headmaster has no desire whatever to interfere in the hospitality extended by members of the staff to such guests, he would like to point out that they will be very busy indeed in the parés they will play during Founder's, and will have little time, if any, to devote to guests. Secondly, it will not be possible for kitchen matrons to provide meals for guests and visitors, particularly as they will be extremely busy with their own duties in making arrangements connected with Founder's.

It is regretted that due to shortage of beds in the school it will not be possible to issue any temporarily to staff members for guests.

Members of the staff may, if they so wish, plead school policy in refusing requests for accommodation.

No. 289. STOCK LEDGERS.
Staff must send their Stock ledgers, Condemnation Books and Indent Books to the Office before they leave Sanawar.

No. 290. RECORDS.
History Sheets must be completed and returned to the Office before Staff leave Sanawar. They must show, inter alia, whether or not a child has been promoted.

No. 291. PRIZE CUPS
Prize cups must be returned to the Office by all concerned by Tuesday, 29th November, 1966.

No. 292. WHITEWASHING OF STAFF QUARTERS.
The annual whitewashing of staff quarters, both married and single, will be carried out during the coming winter vacation.
Before leaving Sanawar, therefore, all staff members will please label the keys of their quarters and hand them over to the Quartermaster. Quarters of which the keys are not left with the Q.M. will not be whitewashed either during the vacation or on the return of the staff members concerned next year.

Married staff members are also requested to lock up their valuables etc. in their rooms in their quarters, which will not be opened during the vacation for white-washing purposes. Such rooms only will be whitewashed during the following term.

If there are any special repairs to furniture and house fittings etc. which need to be done in quarters, those may please be intimated in writing to the Bursar before the school closes. This will facilitate the work being done during the vacation.

No. 293. LONG VACATION ARRANGEMENTS.

1. Children going with their parents/guardians will be allowed to leave Sanawar after 9-00 a.m., on Saturday, 3rd December, 1966. They may write to parents accordingly.

2. Children, travelling in the school parties will leave Sanawar on the afternoon/evening of Saturday, 3rd December, 1966. A Special School Order giving details of all departure arrangements etc. will be issued next week.

No. 294. GRATUITIES : CLASS IV STAFF.

Staff members, Houses and Departments are reminded that gratuities should not be paid direct to Class IV staff for the reason that this leads to deprivation to some and excess payments to others. The school will debit each child’s account with Rs. 2/-, which will then be distributed evenly from the office.

Should any House or Deptt. or member of the staff care to make individual contributions, would they please deposit these sums with the office to ensure even distributions and not make any payments direct to class IV staff?

Small gifts, not monetary, given at a Christmas Tree are not affected by this School Order.

No. 295. RESIGNATION OF MEMBERS OF THE VACATION STAFF.

Will those members of the staff who wish to resign please intimate this fact to the Headmaster not later than the 25th of this
month? This includes those members of the vacation department who are temporary or on probation.

The reason for this request is that the leave entitlements of members of the vacation department are dependent on the receipt of such notice by the end of term.

THE LAWRENCE SCHOOL ORDERS.

SANAWAR, 24TH NOVEMBER, 1966.

SPECIAL ORDER

No. 302. GENERAL.

(i) Children going home with their parents will be allowed to leave Sanawar after 9.00 a.m. on Saturday, 3rd December 1966, (home day). Such children must in no circumstances be permitted to leave Sanawar unless their parents/guardians, or their duly authorised representatives, call for them. The only exceptions to this rule will be senior children who go home to Kasauali.

(ii) Children travelling in school parties will also leave on the same day, as detailed later in this order.

(iii) Children in hospital on home day will not be allowed to go home unless certified fit to travel by the R M.O. Such children will only be permitted to go home with their parents/guardians and will not be allowed to travel with school parties.

(iv) No school bedding, clothing or other school property may be taken away from Sanawar. Matrons must be careful about school clothes and ensure that they are not exchanged with home clothes. This rule must be strictly enforced.

(v) House Staff will please note that all demands in respect of individual children requiring travel money must be put in to the Bursar well in advance, and in no case later than Thursday, 1st December. Travel money required by individual children will not be issued by office after that day.

The normal travelling money for school parties will be sent to escorts on Friday, 2nd, December, by the School Office.

(vi) Members of staff entrusted with sums of money for children in school parties must keep detailed accounts of all expenditure incurred. These details must show the exact amount of money handed over on the completion of the journey. The best course would be to hand money over direct to the parent or guardian, meeting the child or to refund balances to the office. These detailed
accounts of expenditure and all refundable balances should be submitted to the School Office immediately on the termination of escorts’ journeys.

(vii) Staff must ensure that all doors and windows are properly bolted before they lock their residences and departments. Window panes must be replaced before they leave. They will also please ensure that all electric lights are switched off in their quarters and departments before they lock them.

(viii) Before leaving Sanawar all staff members must enter their leave addresses in the address book at the School Office.

ESCORTS’ MEETING.

A meeting of all staff members escorting school parties will be held in the Masters’ Common Room at 9-15 a.m. on Friday, 2nd December. All such staff members are required to attend.

DISCIPLINE—and INDISCIPLINE.

(i) All children travelling in school parties are subject to school discipline until handed over to their parents/guardians. All escorts will please personally see that the children under their charge maintain discipline at Kalka and during the journey. Senior boys and girls, particularly prefects, are expected to assist escorts in this matter.

(ii) Immediately after reaching their party destinations members of staff acting as escorts to school parties will report to the Bursar in writing the names of any children who acted in an indisciplined manner or failed to behave themselves properly during the journey. Such children will not be accepted in school parties in future and their parents will be informed accordingly.

TRAVELLING DRESS.

Children travelling in school parties will dress as follows:-

Girls: Salwar, qamiz and dupatta, or skirt and blouse.

Boys: Shirts or bush-shirt with trousers or shorts and stockings.

Jeans will not be worn by either girls or boys.

(ii) Staff members and their families travelling with school parties are expressly requested to label their own luggage with these serial numbered labels. Such staff members must inform the Quartermaster by the evening of Thursday, 1st December, of the number of packages (luggage) to be collected from their quarters.

(iii) Asstt. Matrons are responsible for the correct labelling of the luggage of all children. They will please see that labels are firmly pasted on. They must first ensure that all old labels are completely removed.

(iv) Luggage of all children travelling in school parties (except Simla party) must be ready by 8-00 a.m. on home day. Such luggage will be collected by school mazdoors from G. D. and P. D. and taken to Gaskell Hall. Boys of B.D. (except of the Simla party) will carry their own luggage out of their dormitories. SBD and VBD boys will stack it on the pavement outside B.D. Kitchen (or in the case of rain in Gaskell Hall verandah on the B.D.K. side, i.e. next to
the covered water tank). Boys of HBD will stack their luggage in
the Gaskell Hall verandah at the top of the steps opposite their dor-
mitory. Boys of NBD will stack their luggage in the Nilgiri dor-
mitary lower verandah. House staff will please ensure that this is
done in an orderly manner. Mazdoors will then carry it into Gaskell
Hall. In Gaskell Hall luggage will be stacked according to school
parties as shown above, i.e. in accordance with the serial numbers
printed on their labels. The Engineer will further arrange to paint
the appropriate serial numbers on all holdalls after they have been
brought down to Gaskell Hall.

(v) Luggage of all children going to Simla must be ready at
the Bakery by 6:45 a.m. on home day. The Quartermaster will
arrange for this luggage to be transported to the Bakery from depart-
ments by the mazdoors and loaded on the Simla bus, which will come
up to the Bakery itself at 7:00 a.m.

(vi) The Quartermaster will arrange for the luggage truck(s) to
be present at the Quasd not later than 9:45 a.m. Heavy luggage, i.e.
boxes, hold-alls, etc., will be despatched by the Quartermaster to
Kalka by truck not later than 12 noon. However, in the cases of those
parties which leave Sanaur last at about 7:00 p.m. (ordinarily the
Amritsar and Calcutta parties) although their trunks should be des-
patched by truck by 12 noon, their hold-alls and hand luggage should
accompany them on the buses in which the parties themselves travel.
The Quartermaster will please ensure this. The Quartermaster will also
ensure that the two sets of serially numbered poles (used for sorting
out and stacking luggage at Kalka railway station) are sent in the first
truck. Mr. Mukherji will be in charge of all luggage arrangements at Kalka
and all problems and enquiries should be referred to him. It is special-
ly pointed out that although Mr. Mukherji is in general charge of all
luggage arrangements at Kalka, escorts on arrival there are required
to assist him in supervising the sorting out at Kalka of the luggage
which travels with them in school party buses to Kalka. Children
must not be permitted to touch any of their luggage at Kalka railway
station or to put it into trains until permitted to do so by Mr.
Mukherji. Escorts and children will supervise the loading of their luggage
into their compartments by station mazdoors after having been permitted to
do so by Mr. Mukherji.

(vii) The school accepts no responsibility for losses, and staff
and children alike must supervise the loading of luggage.
(viii) Children are warned not to give any money to the school servants for carrying their luggage to Gaskell Hall or the Bakery or to porters at the Kalka railway station.

ALLOTMENT OF ACCOMMODATION IN TRAINS.

(ii) Tea. Sandwiches, fruit and tea will be served in the B. D. Kitchen at 5-00 p.m. for all members of the Calcutta, Pathankot and Amritsar school parties.

(iii) Supper Packets. Supper packets (all of which will be vegetarian) for all school parties will be issued in Gaskell Hall half an hour before parties leave Sanawar for Kalka. They will be issued in baskets. Given below is a statement naming the member of staff who will be responsible for collecting the supper packets for the school party indicated. Also shown is the number of packets for the various school parties (includes packets for escorts and their family members). It will be the personal responsibility of the staff member mentioned below to collect from Gaskell Hall the correct number of supper packets half an hour before the party is due to leave Sanawar, have them loaded on to the bus in which they travel to Kalka, and have them unloaded at Kalka, and to ensure their safe custody at Kalka and their subsequent proper distribution to all members of the party. They will also arrange, if possible, to have the empty baskets handed over to Mr. Mukherji at Kalka after having distributed the supper packets and before the train leaves:
