Furthermore, such time once fixed shall not be changed unilaterally by either the member concerned or the Quartermaster, but only after mutual consultation. Such changes should not ordinarily be necessary at all but only in emergent and unforeseeable circumstances. The time so fixed should not be between 3-00 and 4-00 p.m. on full working days nor between 12-00 noon and 1-00 p.m. on Saturdays.

It is the duty of the Quartermaster to have all items to be issued ready for immediate issue punctually at the time fixed, thus ensuring that no unnecessary delay occurs and that indenting staff members are not held up at the Stores for more than the minimum time necessary actually to receive the articles indented for.

Any difficulties in implementing this order should be brought to the notice of the Bursar immediately.

No. 29. TRANSFER.

Mrs. R. Joseph is transferred to the Prep. Dept. from the Senior School with effect from the opening of term.
No. 30. WATER SHORTAGE EMERGENCY.

The winter rains have again failed almost totally. Consequently there is a very serious water shortage throughout these hills. Our water supplies from Kasauli have already been drastically reduced and will probably be reduced even further as the weather gets warmer.

As a result, extremely strict water rationing has had to be imposed throughout the school with effect from Monday, 2nd March and the consumption of water for all purposes whatever has to be restricted to the absolute minimum by all children and all categories of staff whatsoever. Staff quarters will receive water only as follows:—

Mornings ... For 1½ hours between 6-30 a.m. and 9-00 a.m.
(Sunday & holiday mornings)

Evenings ... For 45 minutes between 4-30 p.m. and 6-00 p.m.

All concerned are also reminded that the sanitary flushes will not refill themselves except during those hours when the water supply is turned on. Indiscriminate use of the chain is to be avoided.

Due to the water shortage it will not be possible to wash any durries until further notice. The dhobis have strict instructions not to accept duries from any source for washing.

THE USE OF FRESH TAP WATER FOR WATERING PLANTS AND GARDENS IS COMPLETELY PROHIBITED.

It must be emphasised once again that the water position is extremely serious and precarious and that it is absolutely essential that every one at the school, including all children and all categories of staff, do everything in their power all the time to ensure the minimum consumption of water. This includes, among other things, the proper closing of all taps and the immediate reporting to the Engineer of all leaking taps, pipes, tanks, flushes etc., etc.

Since some storage of water will be necessary, the Engineer has prepared—and has ready for sale—empty kerosene oil tins, which may be drawn from him on payment.

THE ENGINEER HAS EXPLICIT INSTRUCTIONS TO DISREGARD ABSOLUTELY REQUESTS FOR RELEASE OF WATER OUTSIDE THE HOURS MENTIONED ABOVE.

T. A. C. Kemp,
Offg. Headmaster.
No. 33. STAFF GUESTS.

The Board of Governors at its meeting held on 11th December, 1962, decided that, with the prior permission of the Headmaster, members of the staff may accommodate only very close relations, and feed them in the children's messes at a cost of Rs. 5/- per day per head. This order applies to staff who have not the facilities to run their own kitchens.

No. 34. INDENTS.

Indents for the period ending 31st July, 1970, should be submitted to the Bursar by stock holders by the 20th March next.

No. 35. DISCIPLINE: DAY SCHOLARS.

Day Scholars will not go into Assembly in their own time, but will fall in with the other children.

No. 36. WEEKLY SHOE INSPECTION.

In order to ensure that children's shoes are sent to the mochi for repair in good time and before their condition becomes too unsatisfactory, all Housemasters and Housemistresses are reminded to personally conduct a shoe inspection parade of all their children once a week on any day convenient to themselves. House Matrons will also be present at such inspections.

All Housemasters and Housemistresses will also please furnish a report every Saturday morning to the Bursar, certifying that they have conducted their shoe inspection parade during the past week.

No. 37. TENNIS.

Trafford House tennis court will be reserved for use by the girls on Sunday between 10-00 a.m. and 1-00 p.m.

No. 38. BIRTHDAY PARTIES.

The expenditure on these parties will under no circumstances, except with the special permission of the Headmaster, exceed the sum of Rs. 15/-. House Staff and Kitchen Matrons are requested kindly to ensure this.
No. 39 HOUSE LISTS,
    House Lists are not yet complete and will not be completed until all admissions have been made. These lists will be sent to House staff as soon as ready.

No. 40. CRICKET.
    The festival match will take place on Sunday next, 8th March.
    Timings:—

    ...  1-15 p.m.— 3-45 p.m.

    Staff and their wives/husbands are cordially invited to witness the match and to stay on for tea, which will be in B.D.K.

No. 41. LOSSES OF SCHOOL CLOTHING AND OTHER ARTICLES.
    All Kitchen Matrons and House Matrons are requested to ensure that losses on account of theft and dhobi shortages, as also damage done to clothing by dhobis, are reported immediately to the Bursar. Such reports should be in writing and dated. A Loss Slip duly signed by the dhobi must also be sent along with the report. The signature of the dhobi should also be obtained in the dhobi-account book.

    In this connection the attention of all Matrons is also invited to the circular instructions No. E2/A1 dated 1st June, 1966, on the subject.

No. 42. SANITATION.
    Members of the staff are reminded to ensure that their private sweepers do NOT throw rubbish, etc., down the khud side or into drains. Should any private sweeper be found doing so, he will be liable to a fine, and should there be any difficulty in the recovery of the fine, the sum will be recovered from the employer; failing this the sweeper will be removed from the School premises.

    Members of the Staff are requested to make this quite clear to their servants and to explain to them that this rule is a condition of employment.

No. 43. MATERNITY CASES.
    Maternity cases will be undertaken by the School Hospital subject to the following provisions:—
(1) The R. M. O. must be informed of all pending maternity cases within the first three months of pregnancy. This is most necessary in the interests of the expectant mothers themselves, and Staff in charge of Deptts. are requested to emphasize the importance of this on all their Class IV staff.

(2) Attendance at the hospital for ante-natal care as instructed by the R.M.O. or the Nursing Sister.

(3) Admission to the School hospital at the time of confinement or when instructed by the R.M.O.

Neither the R.M.O. nor the Nursing Sister will take cases except on these conditions, and Staff are advised in their own interest to abide by them.

Subject to the conditions mentioned above Rs. 10/- per case will be charged for a maternity case if conducted in the hospital, and Rs. 25/- if conducted at the residence of the person concerned.

This order applies particularly to Class IV employees.

A Dai is available for conducting maternity cases of Class IV employees only, and when not so engaged, for assistance in the School hospital. It is regretted that her services are not available except for these purposes.

No. 44. ELECTRICITY CONSUMPTION.

Will all concerned kindly take special pains to affect the greatest possible economy in the use of electricity? House Matrons i/c of dormitories in particular are requested to exercise effective supervision in this matter.

No. 46. SCHOOL PURCHASES BY STAFF MEMBERS.

It has been found that, from time to time, certain staff members have made purchases of various items for the School on their own initiative without first obtaining permission to incur such expenditure. In order to enable a proper control and regulation of the School finances it is emphasized that no purchases of whatever
nature may be made against the School account without the express permission in writing of the Headmaster or the Bursar. Failure to observe this procedure will render the person concerned liable to make good from his own pocket the sum involved.

No. 71. SCHOOL ORDERS.

These are the orders of the Headmaster and will be treated and adhered to as such. They are intended to be read by all and explained by Heads of Depts. to those under them, who are unable to read them, namely Class IV Staff.

No. 72. PEN-FRIENDS.

Children are urgently advised not to fill in any application forms for enrolment as volunteers for Pen Friends.

There is real danger of children or parents (through their children) finding themselves exposed to blackmail.

No. 73. BICYCLES.

No child on the strength of the School will ride a cycle anywhere in these hills.

The danger to life is far too great to permit any laxity in this behalf.

Housemasters will cane any boy who disobeys this order.

A repetition of the offence will involve immediate expulsion from the school.

No. 74. DOGS AT SANAWAR.

1. All dog owners at the School are reminded of the requirements of School Order No. 204 of 19th August, 1966, regarding the annual inoculation of all dogs against rabies, and the payment of a fee of Rs. 5/- for each dog. The salient extracts of that Order are repeated below for the information and necessary action of all concerned.
2. All owners of dogs will, in April annually (and in any case before the 1st May) :

(i) register with the School Office all dogs owned by them, and
(ii) produce to the School Office a certificate from the R.M.O. of inoculation against rabies in respect of each dog owned by them.

Note: (1) When dogs are acquired after 1st May, the above action will be completed by owners within one month of the acquisition of the dogs [but also see the Note under para: 5 (d) (i) below].

(2) The term “dog” includes bitches and puppies of all ages.

(3) The annual dog fee of Rs. 5/- and the inoculation fees will be recovered from the pay bills of owners after production of the inoculation certificates in the School Office.

3. (a) On fulfilling the requirements of para 2 above the owner will be issued by the School Office a dog token valid for one year i.e. from the 1st May to the 30th April next. The year for which it is valid will be found stamped on it, e.g. 1970/71.

(b) If a dog token is lost during its period of validity a new one must be obtained immediately by the owner. This will cost him Rs. 2/- per token.

4. Owners failing to comply with the provisions of para 2 and 3 (b) above will be fined Rs. 5/- per month per dog until those requirements have been fulfilled. In addition, of course, their dogs will meanwhile be liable to be destroyed if found within the school limits.

5. Inoculation against rabies.

(a) The R.M.O. will arrange for the inoculation at the School hospital of all dogs brought to him for inoculation.

(b) Rs. 2/- will be charged per inoculation. This will be recovered from the pay of the owner.

(c) Having inoculated a dog the RMO will give the owner a dated and signed certificate of inoculation. This certificate will be given by the owner to the School Office. When a dog has been immunized by someone other than the RMO a certificate from the RMO must still be obtained by the owner. This the RMO will furnish only
after having satisfied himself from proper documentary evidence that the dog has in fact been satisfactorily immunized.

(d) (i) Dogs which have not previously been protected against rabies will in the first year be inoculated twice, the second inoculation being given six months after the first one. The RMO will issue the appropriate inoculation certificate in respect of each such inoculation and each certificate must be given to the School Office by the owner immediately after the inoculation.

Note: Puppies must receive their first inoculation at the age of four months.

(ii) Dogs which have been protected against rabies previously will be re-inoculated once annually.

(e) All dogs owners must contact the RMO in good time in April annually and ascertain from him the date and time when they should bring their dogs to him at the School hospital for inoculation.

6. All heads of departments will please collect all members of staff and employees working under them to whom copies of School Orders do not go and/or those who cannot read these instructions themselves, and will explain the instructions to them in detail and satisfy themselves that they have understood them. The responsibility for the observance of and compliance with the requirements of this order is entirely that of the owners of dogs and not that of the RMO, the School Office or anyone else.

   The undermentioned rates for sweets etc., sold at the School Halwai’s shop have been fixed with effect from 15th February,
1970, and will remain effective unless and until this School Order is changed or amended by a further School Order.

No. 81. TUCK SHOP SLIPS.
All Housemaster and Housemistresses are reminded:

a) ordinarily to restrict to twice, and in any case not more than three times a month, the sending of Tuckshop Slips to the School Office for passing.

b) that where the total value of the items required on any one Tuckshop Slip does not exceed Rs. 15/-, such Tuckshop Slips should not be sent to the School Office but should be presented directly to the Tuckshop. No. 82. MESSING—STAFF WIVES.
The Board of Governors at its meeting held on 21st March, 1968, has agreed to permit wives of Masters, who are not themselves on the Staff, to mess in the B. D. Mess, on payment of Rs 75/- per mensem during the currency of a term.

They will comply with all the conditions, which apply to Masters, with regard to meal timings and messing with the children themselves and not separately at breakfast and lunch.

No. 84. PRIVATE TRADING.

There will be no private trading by members of the school staff (including their family members residing with them) unless permission to do so has been obtained from the Headmaster previously. The reasons for this order are that:

(1) This private trading is bound to interfere with the effective discharge of an employee's duties.

(2) It cannot but lead to an imputation of undue pressure on subordinate members of the staff when a more senior member of the staff, in a position to exercise authority, indulges in such trade.

(3) A measure of indebtedness is always bound to arise, which is to be avoided.

Will Heads of Deptts. please explain this order to those under them.

During the last ten days, TWO MAD DOGS have been shot in the School, one near the B.D. Kitchen and one outside the G.D. Kitchen. The presence of stray dogs anywhere in the School may please be brough to the immediate notice of the Bursar, preferably on the telephone, otherwise through a messenger.

No. 112. WATER RATIONING.
Until further notice water supply will remain on for two hours longer on Sunday mornings (but not on other holidays) in senior staff quarters only.

If, however, consumption should be found to increase inordinately as a result of this relaxation, the existing restriction will have to be reverted to.

No. 113. SCHOOL PLAYING FIELDS—USE BY CHILDREN OF SCHOOL EMPLOYEES.

It has been seen that many children of employees of the School, in particular the children of Class IV staff, are playing frequently and in some cases daily on the Schools’ games grounds and have been doing considerable damage thereto, especially to the cricket pitches. Articles of clothing and games equipment of the School and students have also been disappearing when left lying on these grounds.
In this connection the following orders are issued therefore:

i) During the cricket season 'all' the School games grounds are reserved at all times for the exclusive use of students of the School. Other children of all categories are forbidden to use any of these grounds at any time at all during the cricket season (which normally ends in the beginning of May).

ii) During the rest of the year children of School employees may play on Lower Barnes ground and the Helipad (the new field below Stoneview), but only when they are not being used for any purpose by students of the School.

iii) Upper Barnes ground, the P.D. playing fields and Peacestead will not be used at any time by children who are not students of the School.

The heads of Class IV families will be held responsible for any contravention of this order, or damage to School playing grounds or School equipment, by their children or the children of relatives living with them. They will also be held responsible if any articles of clothing and games equipment etc. belonging to the School and to School students is found in the possession of their children or family members.

Will Heads of Departments please explain this clearly to all staff, including Class IV staff, working under them.

No. 114. ICE-CREAM.

No. 115. RAFFLE.

Tickets are being distributed to House Staff for a Raffle organised by the Lady Linlithgow Sanatorium. The proceeds of the Raffle will be used for buying blankets, etc., for the poorer patients of the Lady Linlithgow Sanatorium. House Staff are asked to do their best in disposing of as many tickets as possible for this very worthwhile objective.

The last date for sale of tickets is Friday, the 15th May. Since the school will be in camp on that date, all monies and unsold tickets should be handed in to the office on Friday the 8th May.

The tickets cost Re. 1/- each and there will be three prizes: A Murphy transistor, a time-piece and an electric iron.

No. 119. ADVANCES AND LOANS PROVIDENT FUND AND STAFF BENEFIT FUND.

1. It has been found that there is considerable ignorance and confusion, particularly among Class IV Staff, as to the purposes of, and the circumstances in which, loans/advances can be obtained from the above two funds. The position is therefore clarified below.

Provident Fund

(a) Advances are ordinarily limited to a maximum of three month's pay (i.e. basic pay only) or half the subscriber's own contribution to the Fund, whichever is less. Advances are not given to staff who are on probation.

(b) Interest at 6% per annum is levied on all advances.

(c) Recovery of advances has ordinarily to be made in not less than 12 and in no circumstances more than 24 equal monthly instalments from pay bills.

(d) Advances may be sanctioned for the following purposes ONLY, and for no other purpose:—

(i) to pay expenses incurred in connection with the prolonged illness of the applicant or any person actually dependent on him;

(ii) to pay for the overseas passage for reason of health or education of the applicant or any person actually dependent on him.

(iii) to pay obligatory expenses on a scale appropriate to the applicant's status in connection with marriages, funerals and ceremonies which by customary usage it is incumbent on him to perform.
(e) A second advance cannot ordinarily be granted until at least twelve months after the final repayment of all previous advances together with the interest thereon.

Note:—The above is a brief, general explanation of the Rules re. advances. Anyone wishing to see the Rules for himself is very welcome to do so at any time. Copies are available in the School Office. The Bursar will also be happy to give any advice, clarification or assistance in the matter.

Staff Benefit Fund

(a) Loans are limited to a maximum of two months’ pay, including Dearness Allowance. Loans are not given to staff who are on probation or who are temporary.

(b) Loans are completely free of interest.

(c) Recovery of loans is made in twenty equal monthly instalments from pay bills.

(d) The purpose of the Fund is “to provide for cases of distress among the staff” and loans, therefore, can only be granted for the relief of distress, and not for any other purpose.

The Staff Benefit Fund Committee has to consider every application on its merits and decide whether or not it constitutes a case of distress. One general criterion applied in this connection is that the cause of distress should ordinarily be such that it is beyond the control of the applicant. Illness, necessary expenditure on marriages, deaths and other ceremonies required by customary usage; serious damage to houses by rain, flood etc. could, for example, fall within this category. Examples of circumstances which would NOT ordinarily fall in the category of distress are indebtedness due to living beyond one’s means or to extravagance; purchase of land, houses or moveable property with the object not of relieving one’s distress, but of acquiring, without being able to afford it, further possessions. These are merely some examples of both categories and they do not purport to cover all cases of distress or otherwise.

(e) A second loan will not ordinarily be granted until at least 3 months after the final repayment of all previous loans.
2. (a) It is most strongly advised that in the cases of both the Provident Fund and the Staff Benefit Fund staff members should not incur forseeable expenditure in anticipation of the grant of an advance/loan, since it is possible that no advance/loan can be sanctioned for that particular purpose. Applications for advances/loans should be put in well before hand and orders thereon should be awaited.

(b) Ignorance of rules will not be accepted as a reason for having incurred expenditure in anticipation of the grant of an advance/loan.

3. Will all Heads of Departments please collect all Class IV Staff members working under their control and explain the above to them very clearly? It is important that they fully understand the matter, in particular, para 2 above.

It is also proposed that all requirements of members of the Staff for Founder’s will be intimated to both the Engineer and the Q.M. not later than 30th June next. For those children who prefer to dispense with a hold-all or a tin box, small travelling bags, large enough to include all that a
child could possibly require for the move down and for the holidays themselves, are being arranged on payment. These be available in the Tuck Shop from June 25th next.

THE LAWRENCE SCHOOL ORDERS.

SANAWAR, SATURDAY, 4TH JULY, 1970.

SPECIAL ORDER

Mid-term Vacation Arrangements—1970.

GENERAL.

Special note for all Housemasters & Housemistresses.

Immediately on receipt of this Special Order please check up that children not included in any school party will definitely be travelling in a privately arranged home party. Where the position in respect of any child is uncertain please inform the Bursar immediately as nothing can be done at the last minute either to inform or enquire from parents or to include children in any party.

(i) Children going home with their parents will be allowed to leave Sanawar after 9.00 a.m. on Wednesday, 8th July, 1970 (home day). Such children must in no circumstances be permitted to leave Sanawar unless their parents/guardians, or their duly authorised representatives, call for them. The only exceptions to this rule will be senior children who go home to Kasauli.

(ii) Children travelling in school parties will also leave on the same day, as detailed later in this order.

(iii) Children in hospital on home day will not be allowed to go home unless certified fit to travel by the R.M.O. Such children will only be permitted to go home with their parents/guardians and will not be allowed to travel with school parties.

(iv) No school bedding, clothing or other school property may be taken away from Sanawar. House Matrons must be careful about school clothes and ensure that they are not exchanged with home clothes. This rule must be strictly enforced.

(v) House Staff will please note that all demands in respect of individual children requiring travel money must be put in to the Bursar well in advance, and in no case later than Monday, 6th July. Travel money required by individual children will not be issued by office after that day.
The normal travelling money for school parties will be sent to escorts on Monday, 6th July, by the School Office.

(vi) Members of staff entrusted with sums of money for children in school parties must keep detailed accounts of all expenditure incurred. These details must show the exact amount of money handed over on the completion of the journey. The best course would be to hand money over direct to the parent or guardian meeting the child or to refund balances to the office. These detailed accounts of expenditure and all refundable balances should be submitted to the School Office immediately on the termination of escorts' journeys.

(vii) Staff must ensure that all doors and windows are properly bolted before they lock their residences and departments. Window panes must be replaced before they leave. They will also please ensure that all electric lights are switched off and all taps are turned off in their quarters and departments before they lock them.

(viii) Before leaving Sanawar all staff members must enter their leave addresses in the address book at the School Office, and during the vacation must keep the School Office up-to-date with changes of address.

ESCORTS' MEETING.

A meeting of all staff members escorting school parties will be held in the Biology Lab. at 9-30 a.m. on Tuesday, 7th July. All such staff members are required to attend.

DISCIPLINE—and INDISCIPLINE.

(i) All children travelling in school parties are subject to school discipline until handed over to their parents/guardians. All escorts will please personally see that the children under their charge maintain discipline at Kalka and during the journey. Senior boys and girls, particularly prefects, are expected to assist escorts in this matter.

(ii) Immediately after reaching their party destinations members of staff acting as escorts to school parties will report to the Bursar in writing the names of any children who acted in an indisciplined manner or failed to behave themselves properly during the journey. Such children will not be accepted in school parties in future and their parents will be informed accordingly.
TRAVELLING DRESS.
Children travelling in school parties will dress as follows:-

Girls: Salwar, qamiz and dupatta, or skirt and blouse.

Boys: Shirt or bush-shirt with trousers or shorts and stockings.

Jeans will not be worn by either girls or boys.

SANAWAR DEPARTURE ARRANGEMENTS.

Special note: Stick-on labels must be pasted on the sides or fronts of tin trunks and NOT ON TOP. It will be the personal responsibility of House Matrons to ensure this.
(ii) Staff members and their families travelling with school parties are expressly requested to label their own luggage with these serial numbered labels. Such staff members must inform the Quartermaster by the evening of Monday, 6th July, of the number of packages (luggage) to be collected from their quarters.

(iii) House Matrons are responsible for the correct labelling of the luggage of all children. They will please see that labels are firmly pasted on. They must first ensure that all old labels are completely removed.

(iv) Luggage of all children travelling in school parties must be ready by 8.00 a.m. on home day. Such luggage will be collected by school mazdoors and taken to Gaskell Hall. In Gaskell Hall luggage will be stacked according to school parties as shown above, i.e. in accordance with the serial numbers printed on their labels. The Engineer will further arrange to paint the appropriate serial numbers on all holdalls after they have been brought down to Gaskell Hall. He will also please ensure very carefully that all previously painted serial numbers are thoroughly erased or defaced where they differ from the serial numbers on this occasion.

(v) Luggage of all children going to Simla must be ready at the Bakery at 7.30 a.m. on home day. The Quartermaster will arrange for this luggage to be transported to the Bakery from departments by mazdoors and loaded onto the Himachal Transport bus for Simla, which will come up to the Bakery itself at 8.00 a.m.

(vi) All luggage whatsoever, including boxes, hold-alls etc., will travel with school parties on the parties buses. The Quartermaster will arrange for the loading of all parties' luggage onto the buses at the Quad. immediately they arrive. Luggage should be loaded according to the order of departure of parties as given in the Annexure. The luggage of the Amritsar and Calcutta parties will be loaded onto the buses of these very parties and will not be loaded onto the buses of other parties departing earlier. The Quartermaster will also ensure that the two sets of serially numbered poles (used for sorting out and stacking luggage at Kalka railway station) are sent with Mr. Jalota. Mr. Jalota will be i/c of all luggage arrangements at Kalka and all problems and enquiries should be referred to him. It is specially pointed
out that although Mr. Jalota is in general charge of all luggage arrangements at Kalka, escorts on arrival there are required to assist him in supervising the sorting out at Kalka of the luggage which travels with them in school party buses to Kalka. Children must not be permitted to touch any of their luggage at Kalka railway station or to put it into trains until permitted to do so by Mr. Jalota. Escorts and children will supervise the loading of their luggage into their compartments by station mazdoors after having been permitted to do so by Mr. Jalota.

(vii) The school accepts no responsibility for losses, and staff and children alike must supervise the loading of luggage.

(viii) Children are warned not to give any money to the school servants for carrying their luggage to Gaskell Hall or the Bakery or to porters at the Kalka railway station.

ALLOTMENT OF ACCOMMODATION IN TRAINS.

Mr. S.R. Sharma and Mr. Achhar Singh of the School Office will be present at Kalka railway station and will be incharge of the allotment of seats in coaches to all school parties. Escorts are requested to contact them there in this connection.

LUNCH, TEA, SUPPER PACKETS.

They will be issued in baskets. Given below is a statement naming the member of staff who will be responsible for collecting the supper packets for the school party indicated. Also shown is the number of packets for the various school parties (includes packets for escorts and their family members). It will be the personal responsibility of each staff member mentioned below to collect from Gaskell Hall the correct number of supper packets half an hour before the party is due to leave Sanawar, have them loaded on to the bus in which they travel to Kalka, and have them unloaded at
Kalka, and to ensure their safe custody at Kalka and their subsequent proper distribution to all members of the party. They will also arrange, if possible, to have the empty baskets handed over to Mr. Jalota at Kalka after having distributed the supper packets and before the train leaves:

Pupils in U-IV will appear for the Higher Secondary Examination of the Central Board in Nov. 1973. Students sitting for the I.S.C. in 1972 will be expected to sit for and pass in papers set in "core level" subjects. The following note refers to the students who are now in L-V.

Core Subjects In And After 1971

Promotion Criteria

"As already announced in the Council Record of November and December 1969, the Council will undertake the setting of papers in the Core Subjects in and after 1971. All candidates for the Indian School Certificate Examination will have to sit and pass in all the four Core Subjects before they can be admitted for the I.S.C. Examination. Schools may allow candidates to offer two of the core subjects at the end of Standard IX and the other two at the end of Standard X.

It has been decided that the following promotion criteria should be adopted by schools in regard to the performance of candidates in the core subjects examinations:
(a) Candidates will be required to obtain 30% marks in each of the core subjects. The assessment will be made as follows:

Results in the examination: 75%
Course work to be assessed by the School: 25%

(b) Candidates who fail in one of the subjects at the end of Standard IX may be promoted to Standard X. Such candidates will, however, be required to reappear for the subject in which they fail, in addition to the two subjects they will offer, at the end of Standard X.

(c) Candidates who fail in one of the core subjects at the end of Standard X may be promoted to Standard XI but will not be eligible for admission to the I.S.C. Examination in that year, unless such candidates pass a supplementary examination to be conducted by the school before the entry forms for the Indian School Certificate Examination are submitted to the Council.

Heads of Schools will have to complete a special form, provided by the Council, certifying that such candidates have passed in the subject in which they failed at the supplementary examination held in that year by the School.

(d) Candidates who for special reasons are admitted to Class X or XI without having passed the Core subjects examination will be required to pass an examination based on the core subjects, set by the Council. The Council will have the power to grant exemption from such an examination, in special circumstances’.

No. 261. ECONOMY IN WATER CONSUMPTION.

Water consumption has become excessive. Will all concerned, both staff and students, kindly do all that is possible to ensure that consumption is minimized and that water is nowhere and at no time wasted?

No. 262. CATAPULTS.

In past years the use of catapults was both a disgrace and a source of considerable damage to school property. These were misused, particularly at the bonfire during Diwali. It is regretted that for this reason any boy found in possession of a catapult will render himself liable to serve disciplinary action.

No. 263. CINEMA.

The film ONE OF OUR SPIES IS MISSING, starring Robert Vaughan, David McCallum and Vera Miles, will be shown in Barne Hall at 5-30 p.m. on Saturday, 17th October, 1970.

The film is an action-an-thrill packed Napoleon Solo spy adventure.

No. 267. LENDING AND BORROWING: CLASS IV STAFF.

It has become necessary to reiterate School Order No. 268 dated 3rd November, 1967. It is therefore repeated below.

It has been seen that a number of Class IV staff have been lending money to or borrowing money from other Class IV staff, particularly in respect of marriages and other religious ceremonies. Those concerned have been experiencing great difficulty in obtaining repayment of or refunding such amounts.

All members of the Class IV staff are most strongly advised not to lend money to other members of the staff for any purpose whatsoever. They are also very clearly informed that the School will in no way assist in the recovery of such loans.

Will all Heads of Departments please explain this Order clearly once again to all Class IV staff working under them.

No. 268. CONDEMNATIONS.

Condemnations, except of Kitchen Matrons and House Matrons, will be arranged by the Bursar as soon as stock-holders request him in writing to do so.

All escorts will please personally see that the children under their charge maintain discipline at Kalka and during the journey. Senior boys and girls, particularly prefects, are expected to assist escorts in this matter.

(ii) Immediately after reaching their party destinations members of staff acting as escorts to school parties will report to the Bursar in writing the names of any children who acted in an disciplined manner or failed to behave themselves properly during the journey. Such children will not be accepted in school parties in future and their parents will be informed accordingly.
TRAVELLING DRESS.

Children travelling in school parties will dress as follows:

*Girls*: Salwar, qamiz and dupatta, or skirt and blouse.

*Boys*: Shirt or bush-shirt with trousers or shorts and stockings.

Jeans will not be worn by either girls or boys.

† (includes Karnal and Panipat).
*(includes Chandigarh and Ambala).

Special note: Stick-on labels must be pasted on the sides or fronts of tin trunks and NOT ON TOP. It will be the personal responsibility of House Matrons to ensure this.
(ii) Staff members and their families travelling with school parties are expressly requested to label their own luggage with these serial numbered labels. Such staff members must inform the Quartermaster by the evening of Friday, 27th November, of the number of packages (luggage) to be collected from their quarters.

(iii) House Matrons are responsible for the correct labelling of the luggage of all children. They will please see that labels are firmly pasted on. They must first ensure that all old labels are completely removed.

(iv) Luggage of all children going to Simla must be ready at the Bakery by 7-45 a.m. on home day. The Quartermaster will arrange for this luggage to be transported to the Bakery from departments by the mazdoors and loaded on the Simla bus, which will come up to the Bakery itself at 8-15 a.m.

(iv—a) Bombay V.T. party—This party will NOT leave Sanawar with the other parties on 29th November, but will leave on the early morning of Monday, 30th November. A separate cyclostyled order is issuing to all concerned detailing arrangements for this party.

(v) Luggage of all children travelling in school parties (except the Simla party and the Bombay V.T. party) must be ready by 8-00 a.m. on home day. Such luggage will be collected by school mazdoors from G. D. and P. D. and taken to Gaskell Hall. The Quartermaster will please ensure that first of all only tin trunks/boxes are taken down by mazdoors from all Deptts. to Gaskell Hall—bistrots etc. should only be taken down by mazdoors after all tin trunks/boxes have been taken from Departments. Boys of B.D. (except of the Simla party and the Bombay V.T. party) will carry their own luggage out of their dormitories. SBD and VBD boys will stack their luggage on the pavement outside B. D. Kitchen (or in the case of rain in Gaskell Hall verandah on the B.D.K. side, i.e. next to the covered water tank). Boys of HBD will stack their luggage in the Gaskell Hall verandah at the top of the steps opposite their dormitory. Boys of NBD will stack their luggage in the Nilagiri dormitory lower verandah. House staff will please ensure that this is done in an orderly manner. Mazdoors will then carry it into Gaskell Hall. In Gaskell Hall luggage will be stacked according to school parties as shown above, i.e. in accordance with the serial numbers printed on their labels. The Engineer will further arrange to paint the appropriate serial numbers on all holdalls after they have been brought
down to Gaskell Hall. He will please ensure very carefully that all
previous painted serial numbers are thoroughly erased or defaced
where they differ from the serial numbers of this occasion.

(vi) The Quartermaster will arrange for the luggage truck(s) to
be present at the Quad not later than 9-30 a.m. Heavy luggage, i.e.
boxes, hold-alls, etc., will be despatched by the Quartermaster to Kalka
by truck not later than 11-00 a.m. However, in the cases of those
parties which leave Sanawar last at about 7-00 p.m. (ordinarily the
Amritsar and Calcutta parties) although their trunks should be des-
patched by truck by 11-00 a.m., their hold-alls and hand luggage
should accompany them on the buses in which the parties themselves
travel. The Quartermaster will please ensure this. The Quartermaster
will also ensure that the two sets of serially numbered poles
(used for sorting out and stacking luggage at Kalka railway station)
are sent in the first truck. Mr. Mukherji will be i/c of all luggage
arrangements at Kalka and all problems and enquiries should be
referred to him. It is specially pointed out that although Mr.
Mukherji is in general charge of all luggage arrangements at Kalka,
escorts on arrival there are required to assist him in supervising the
sorting out at Kalka of the luggage which travels with them in school
party buses to Kalka. Children must not be permitted to touch any
of their luggage at Kalka railway station or to put it into trains until
permitted to do so by Mr. Mukherji. Escorts and children will supervise
the loading of their luggage into their compartments by station mazdoors after
having been permitted to do so by Mr. Mukherji.

(vii) The school accepts no responsibility for losses, and staff
and children alike must supervise the loading of luggage.

(viii) Children are warned not to give any money to the school
servants for carrying their luggage to Gaskell Hall or the Bakery or
to porters at the Kalka railway station.

ALLOTMENT OF ACCOMMODATION IN TRAINS.

Mr. Achhar Singh of the School Office will be present at
Kalka railway station and will be incharge of the allotment of seats
in coaches to all school parties. Escorts are requested to contact
him there in this connection.

LUNCH, TEA, SUPPER PACKETS.

(i) Lunch. Lunch will be at 1-00 p.m. in all departments on
home day.
(ii) **Tea.** Bread/Sandwiches and tea will be served in the B. D. Kitchen at 5-00 p.m. for all members of the Calcutta, Amritsar and Bombay V.T. school parties.

(iii) **Supper Packets.** Supper packets (all of which will be vegetarian) for all school parties (except the Simla, Kalka and Bombay V.T. parties) will be issued in Gaskell Hall half an hour before parties leave Sanawar for Kalka. They will be issued in baskets. Given below is a statement naming the member of staff who will be responsible for collecting the supper packets for the school party indicated. Also shown is the number of packets for the various school parties (includes packets for escorts and their family members). It will be the personal responsibility of each staff member mentioned below to collect from Gaskell Hall the correct number of supper packets half an hour before the party is due to leave Sanawar, have them loaded on to the bus in which they travel to Kalka, and have them unloaded at Kalka, and to ensure their safe custody at Kalka and their subsequent proper distribution to all members of the party. They will also arrange, if possible, to have the empty baskets handed over to Mr. Mukherji at Kalka after having distributed the supper packets and before the train leaves:
