THE LAWRENCE SCHOOL ORDERS

No. 4. WELCOME.

Mrs. Pasricha joins the Headmaster in welcoming all children, members of the staff and their families to Sanawar and wishing them a very happy and fruitful term at the School.

No. 5. THE SCHOOL’S CLEANLINESS.

The co-operation of all is requested to keep the school neat and clean in every way. At residential schools like ours it is necessary that we inculcate the habit of keeping everything tidy. Therefore, we should all set an example not only by not throwing litter anywhere but also drawing the attention of others to avoid doing so and picking up wherever it is found lying. Proper receptacles have been provided. Where, however any more are required, these may be requested for.

Will all members of staff concerned and the Quartermaster kindly note that, when an indent is to be issued to the person making the indent, the actual time of the issue is to be fixed by personal consultation between the indenting member concerned and the Quartermaster, according to the mutual convenience of both and not merely according to the convenience of the one or the other. Furthermore, such time once fixed shall not be changed unilaterally by either the member concerned or the Quartermaster, but only in mutual consultation. Such changes should not ordinarily be necessary at all but only in emergent and unforeseeable circumstances. The time so fixed should *not* be between 3-00 and 4-00 p.m. on full working days nor between 12-00 noon and 1-00 p.m. on Saturdays.

It is the duty of the Quartermaster to ensure that all items to be issued are ready for immediate issue punctually at the time fixed, thus ensuring that no unnecessary delay occurs and that indenting staff members are not held up at the Stores for more than the minimum time necessary actually to receive the articles indented for.

The Quartermaster has authority to reduce quantities demanded, if he considers it necessary. It is always advisable to submit full monthly requirements in the first week of each month.

Staff families may obtain their private requirements of eggs, vegetables and fruit from the contractors. Servants may not be sent to the Q.M. such Tuckshop Slips should be sent to the School Office. In very special cases only a second Tuckshop Slip may be issued, but all such Tuckshop Slips should be specifically so marked and sent to the School Office.

No. 51. SCHOOL PLAYING FIELDS—USE BY CHILDREN OF SCHOOL EMPLOYEES.

It has been seen that many children of employees of the School, in particular the children of Class IV staff, play frequently and in some cases daily on the Schools' games grounds and do considerable damage thereto, especially to the cricket pitches. Articles of clothing and games equipment of the School and students have also disappeared when left lying on these grounds.

In this connection, therefore, the following orders are issued:

(i) During the cricket season all the School games grounds are reserved at all times for the exclusive use of students of the School. Other children of all categories are forbidden to use any of these grounds at any time at all during the cricket season (which normally ends by the end of May).

(ii) During the rest of the year children of School employees may play on Lower Barnes ground and the Helipad (the new field below Stonewall), but only when they are not being used for any purpose by students of the School.

(iii) Upper Barne ground, the P.D. playing field and Peacestead will not be used at any time by children who are not students of the School.

The heads of Class IV families will be held responsible for any contravention of this order, or damage to School playing grounds or School equipment, by their children or the children of relatives living with them. They will also be held responsible if any articles of clothing and games equipment etc. belonging to the School and to School students are found in the possession of their children or family members.

Will Heads of Departments please explain this clearly to all staff, including Class IV staff, working under them.
No. 52. MATERNITY CASES.

Maternity cases will be undertaken by the School Hospital subject to the following:

(i) The R. M. O. must be informed of all pending maternity cases within the first three months of pregnancy. This is most necessary in the interests of the expectant mothers themselves, and Staff in charge of Deptts are requested to emphasize the importance of this to all their Class IV staff.

(ii) Attendance at the hospital for ante-natal care as instructed by the R.M.O. or the Nursing Sister.

(iii) Admission to the hospital at the time of confinement or when instructed by the R.M.O.

Neither the R. M. O. nor the Nursing Sister will take cases except on these conditions, and Staff are advised in their own interest to abide by them.

Subject to the conditions mentioned above Rs. 12/- per case will be charged for a maternity case if conducted in the hospital, and Rs. 40/- if conducted at the residence of the person concerned.

This order applies particularly to Class IV employees.

A Dai is available for conducting maternity cases of Class IV employees only, and when not so engaged, for assistance in the School hospital. It is regretted that her services are not available except for these purposes.

No. 55. SCHOOL PURCHASES BY STAFF MEMBERS.

It has been found that, from time to time, certain staff members have made purchases of various items for the School on their own initiative without first obtaining permission to incur such
expenditure. In order to enable a proper control and regulation of the School finances it is emphasized that no purchases of whatever nature may be made against the School account without the express permission in writing of the Headmaster or the Bursar. Failure to observe this procedure will render the person concerned liable to make good from his own pocket the sum involved.

No. 73. SCHOOL ORDERS.

It is repeated that School Orders are intended to be read and strictly adhered to by all. Heads of Departments should ensure that these Orders are explained fully to all concerned staff working under them who either do not receive these Orders or who cannot read them, including Class IV staff.

No. 74. PEN-FRIENDS.

Children are urgently advised not to fill in any application forms for enrolment as volunteers for Pen Friends.

There is real danger of children or parents (through their children) finding themselves exposed to blackmail.

No. 75. BICYCLES.

Riding on bicycles on School premises is strictly prohibited for everyone.

No child on the strength of the School will ride a cycle anywhere in these hills. The danger to life is far too great to permit any laxity in this behalf. Strict disciplinary action will be taken against defaulters.

No. 76. DO NOT TOUCH STRAY DOGS—DANGER OF RABIES.
This is the season when rabies-infected dogs stray up into the School area from outside. Rabies can be caught by human beings by touching dogs already, though not visibly or apparently, infected by the disease. And rabies, once caught is completely incurable. DO NOT THEREFORE, ON ANY ACCOUNT TOUCH, FEED, PET, ENCOURAGE, ANNOY OR GO ANYWHERE NEAR STRAY DC GS, EVEN IF THEY ARE WEARING COLLARS. THEY CONSTITUTE A VERY REAL DANGER.

The presence of stray dogs anywhere in the School may please be brought to the immediate notice of the Bursar, preferably on the telephone, otherwise through a messenger.

Would Housemasters and Housemistresses kindly explain the above very clearly to all children, and would Heads of Departments please explain it to all Class IV staff working under them.

No. 77. THE RABIES DANGER.

It is clarified, for the particular information of all dog owners, that even if their dog has been properly inoculated against rabies initially and thereafter once annually, (see S.O. No. 78 below) this may not be sufficient protection for the dog against rabies infection if it comes in contact with, i.e. if it has fought with or been bitten by or even nipped by another dog which may be rabid. In such cases it is absolutely imperative that the dog which has been attacked be immediately given a course of seven inoculations, i.e. one daily.

Will all Heads of Departments please explain the above clearly to all staff working under them who do not receive School Orders, or cannot themselves read School Orders, and instruct them that should there be any suspicion of their dogs having been attacked by or in any way been in contact with a rabid dog they must report the matter immediately to the RMO, who will take necessary action. It may also be explained that where such a case comes to notice and it is found that the dog owner concerned has not reported the matter immediately to the RMO, strict disciplinary action will be taken against the staff member concerned.

No. 78. DOGS AT SANAWAR.

1. All dog owners at the School are reminded of the requirements of School Order No. 204 of 19th August, 1966, regarding the primary inoculations/annual inoculation of all dogs against rabies, and the payment of an annual fee of Rs. 5/- for each dog. The salient
extracts of that Order are repeated below for the information and
necessary action of all concerned. Registration and inoculation of
all dogs must be done immediately, but in any case before 1st

2. All owners of dogs will:—
i) register with the School Office all dogs owned by them and
ii) produce to the School Office a certificate from the R.M.O.
of inoculation against rabies in respect of each dog owned
by them.

Note: (1) When dogs are acquired after 1st April, the above
action will be completed by owners within one month of the acquisi-
tion of the dogs [but also see the Note under para : 5 (d) (i) below]

(2) The term “dog” includes bitches and puppies of all ages.

(3) The annual dog fee of Rs. 5/- and the inoculation fees
will be recovered from the pay bills of owners after production of
the inoculation certificates in the School Office.

3. (a) On fulfilling the requirements of para 2 above the owner
will be issued by the School Office a dog token valid upto the 31st
March next. The year for which it is valid will be found stamped
on it, e.g. 1973/74.

(b) If a dog token is lost during its period of validity a new
one must be obtained immediately by the owner. This will cost him
Rs. 2/- per token.

4. Owners failing to comply with the provisions of paras 2 and
3 (b) above will be fined Rs. 2/- per week per dog until these require-
ments have been fulfilled. In addition, of course, their dogs will
meanwhile be liable to be destroyed if found within the school limits.

5. Inoculation against rabies.

(a) The R.M.O. will arrange for the inoculation at the School
hospital of all dogs brought to him for inoculation.

(b) Rs. 2/- will be charged per inoculation. This will be re-
covered from the pay of the owner.

(c) Having inoculated a dog the R.M.O. will give the owner
a dated and signed certificate of inoculation. This certi-
icate will be given by the owner to the School Office
immediately. When a dog has been immunised by some-
one other than the R.M.O. a certificate from the R.M.O. must still be obtained by the owner. This the R.M.O. will furnish only after having satisfied himself from proper documentary evidence that the dog has in fact been satisfactorily immunized.

(d) (i) Dogs which have not previously been protected against rabies will in the first year be inoculated twice, the second inoculation being given six months after the first one. It will be the responsibility of the R.M.O. to ensure that the second inoculation is given at the proper time. The R.M.O. will issue the appropriate inoculation certificate in respect of each such inoculation and each certificate must be given to the School Office by the owner immediately after the inoculation.

Note:— Puppies must receive their first inoculation at the age of four months.

(ii) Dogs which have been protected against rabies previously will be re-inoculated once annually in March.

(e) All dogs owners must contact the R.M.O. in good time in March annually and ascertain from him the date and time when they should bring their dogs to him at the School hospital for inoculation.

6. Dogs owned by staff members and school employees etc. other than those whose names are borne on the printed annual Staff Lists are not permitted loose in the school area above the level of the road from the school main entrance to Moti Corner via B.D. kitchen and below the School hospital, or above the level of Moti Corner to the school main entrance along Long Back, and are liable to be destroyed if found there.

7. All heads of departments will please collect all members of staff and employees working under them to whom copies of School Orders do not go and/or those who cannot read these instructions themselves, and will explain the instructions to them in detail and satisfy themselves that they have understood them. The responsibility for the observance of and compliance with the requirements of this order is entirely that of the owners of dogs and not that of the R.M.O., the School Office or anyone else [except as stated in para : 5 (d) (i) above].
No. 79. PREPARATION OF TUCKSHOP SLIPS.
Children and Housemasters/Housemistresses are reminded kindly to note and implement the following points when writing out tuckshop slips:

(ii) Wherever applicable and possible, the size of the item required should be written (e.g. one pr. P. T. shoes, size 6; one bottle ink, small). The size should be written after the name of the item concerned.

(iii) After completing the slip one straight line should be scored vertically down the middle of the slip through the remaining (blank) items to the bottom of the slip.

(iv) The slip should be signed in ink (except by P.D. children, who will sign with copying pencil).

(v) Children must sign their full signatures, not merely initials or first names.

(vi) Housemasters/Housemistresses should also date their signatures.

(vii) Housemasters/Housemistresses must initial any cuttings/corrections/amendments in tuckshop slips.

No. 111. WATER CONSUMPTION.

Water consumption since the past fortnight has steadily gone up, and now a stage has reached when all staff need to take personal interest to help eliminate wastage, and exercise strict control on consumption.

School malis will in general use bath water from Bath-House drains duly collected in drums (available on loan from the Engineer). Staff are earnestly requested to avoid use of fresh water in their garden, and if they must, to restrict the same to the bare minimum.

House Matrons will please obtain adequate number of tins on loan from the Engineer which should be kept duly filled in the night rooms, for use there, during the night. Water supply to night rooms will be shut off from Saturday, 14th April, 1973 at the "Lights out" timings.

The Engineer will please arrange to inform the House Matrons concerned, and the Steward/kitchen Matrons the meter-readings on the days when water consumption goes higher than usual.

It is emphasised once again that if we continue to draw on our reserves at the present rate, we may soon have no reserves left.
To avoid a complete break-down, we all are duty-bound to consciously make efforts to minimise water consumption.

No. 141. HOUSE TUTORS B. D.
The under mentioned members of Staff are attached as tutors to the Houses mentioned against their names:—
Mr. Charanjit Singh ... Siwalik
Mr. R.P. Aggarwal ... Nilagiri

No. 142. ECONOMY IN WATER CONSUMPTION.
In order to cut down wasteful expenditure of water following measures will be taken in addition to those that are already in
operation:

(a) Water supply will be cut out to wash houses and night-rooms.

(b) The Engineer will arrange to supply extra tins to the House Matrons concerned in addition to those that were already supplied to them for keeping these in the night rooms of their dormitories.

(c) The Quartermaster in consultation with the Engineer will issue GI tubs for the wash houses, to be issued to the Matrons concerned.

(d) The House Matrons concerned will ensure that the tins and the tubs issued to them are kept duly filled for the use of children in night rooms and in the wash houses respectively.

These measures will come into effect from Sat. 19th May ‘73. An earnest appeal is made to one and all, and in particular to the I/c of the three kitchens, to exercise strict control on the consumption of water. Wherever leaking taps are noticeable an immediate report should be sent to the Engineer for repairs. Water supply situation in Sanawar has now reached to an alarming proportion, and unless active interest is taken by all to prevent wastage of water and excessive consumption, we are likely to run ourselves into very serious difficulties.

No. 143. ANNUAL INCOME TAX RETURNS BY STAFF.

The annual Income Tax Return forms will soon be under preparation in the School Office in respect of all staff concerned, in so far as income of staff members on account of salary paid by the School is concerned.

2. These Return forms, duly completed and signed by staff members concerned, have to be submitted to the Income Tax Officer, C Ward, Simla, before 30th June next, failing which the individual concerned becomes liable to a penalty.

3. The School Office will complete these Return forms, in so far only as they relate to income by salary and allowances paid by the School to staff, deductions made by the School in respect of income tax, life insurance premia paid through salary and Provident Fund contribution. Office will have completed these forms, to the extent indicated above, approximately by 5th June next. They will
then be sent to all staff members concerned for their further necessary action, if any, (see para 4 below) and signature. The forms must be returned to Office not later than 20th June, duly completed and signed, failing which staff members will themselves have to send their I. T. Return to the Income Tax Officer, and the School will have no further responsibility in the matter.

4. The "further necessary action, if any" on the part of staff members, mentioned in para, 3 above, involves the inclusion by them in their Return of all their other income than that by salary and allowances paid by the School, and also life insurance permia paid by them privately and not through their salary by the School.

5. Staff members who prefer to prepare their Income Tax Returns entirely on their own are welcome to obtain one copy of the Return form from the Accountant in the School Office, after 25th May, 1973.

No. 174. TRAVELLING ARRANGEMENTS MID-TERM BREAK : LUGGAGE.

For those children who prefer to dispense with a hold-all or a tin box, small travelling bags, large enough to include all that a child could possibly require for the move down and for the holidays themselves, are being arranged on payment. These will be available in the Tuck Shop.

There is obviously no purpose in taking down warm bedding or warm clothes during the summer break. The co-operation of all children and Staff is requested in this behalf.

Housemasters/Housemistresses may issue SPECIAL Tuck Shop slips to children, if necessary, for the purpose of buying travelling bags.

SPECIAL ORDER

No. 181. GENERAL.

Special note for all Housemasters & Housemistresses.

Immediately on receipt of this Special Order please check up that children not included in any school party will definitely be travelling in a privately arranged home party. Where the position in respect of any child is uncertain please inform the Bursar immediately as nothing can be done at the last minute either to inform or enquire from parents or to include children in any school party.

(i) Children going home with their parents will be allowed to leave Sanawar after 8:00 a.m. on Saturday, 30th June, 1973 (home day). Such children must in no circumstances be permitted to leave Sanawar unless their parents/guardians, or their duly authorised representatives, call for them. The only exceptions to this rule will be senior children who go home to Kasauli.

(ii) Children travelling in school parties will also leave on the same day, as detailed later in this order.

(iii) Children in hospital on home day will not be allowed to go home unless certified fit to travel by the R.M.O. Such children will only be permitted to go home under arrangements of their parents/guardians and will not be allowed to travel with school parties.

(iv) No school bedding, clothing or other school property may be taken away from Sanawar. House Matrons must be careful about school clothes and ensure that they are not exchanged with home clothes. This rule must be strictly enforced.

(v) House Staff will please note that all demands in respect of individual children requiring travel money must be put in to the Bursar well in advance, and in no case later than Wednesday, 27th June, 1973. Travel money required by individual children will not be issued by office after that day.
The normal travelling money for school parties will be issued to escorts on Thursday, 28th June, 1973 by the School Office.

(vi) Members of staff entrusted with sums of money for children in school parties must keep detailed accounts of all expenditure incurred. These details must show the exact amount of money handed over on the completion of the journey. The best course would be to hand money over direct to the parent or guardian meeting the child or to refund balances to the office. These detailed accounts of expenditure and all refundable balances should be submitted to the School Office immediately on the termination of escorts' journeys.

(vii) Staff must ensure that all doors and windows are properly bolted before they lock their residences and departments. Broken window panes must be replaced before they leave. They will also please ensure that all electric lights are switched off and all water taps are turned off in their quarters and departments before they lock them.

(viii) Before leaving Sanawar all staff members must enter their leave addresses in the address book at the School Office, and during the vacation must keep the School Office up-to-date with changes of address.

ESCORTS' MEETING.

A meeting of all staff members escorting school parties will be held in the M.C.R. on Friday, 29th June, 1973, at 11-20 a.m. All such staff members are required to attend.

DISCIPLINE—and INDISCIPLINE.

(i) All children travelling in school parties are subject to school discipline until handed over to their parents/guardians. All escorts will please personally see that the children under their charge maintain discipline at Kalka and during the journey. Senior boys and girls, particularly prefects, are expected to assist escorts in this matter.

(ii) Immediately after reaching their party destinations members of staff acting as escorts in charge of school parties will report to the Bursar in writing the names of any children who acted in an indisciplined manner or failed to behave themselves properly during the journey. Such children will not be accepted in school parties in future and their parents will be informed accordingly.

Children travelling in school parties will dress respectfully,

Girls: Churidar and qamiz, or skirt and blouse.

Boys: Shirt or bush-shirt with trousers or shorts and stockings.

Jeans will not be worn by either girls or boys.

(ii) Party labels are available in the School Office. House Matrons should collect them from there as per their requirement.

Special note: Stick-on labels must be pasted on the sides or fronts of tin trunks and NOT ON TOP. It will be the personal responsibility of House Matrons to ensure this.

In Gaskell Hall luggage will be stacked according to school parties as shown above, i.e. in accordance with the serial numbers printed on their labels. The Engineer will further arrange to paint the appropriate serial numbers on all holdalls after they have been brought down to Gaskell Hall. He will also please ensure very carefully that all previously painted serial numbers are thoroughly erased or defaced where they differ from the serial numbers on this occasion.

(vii) All luggage whatsoever, including boxes, hold-alls etc., will travel with school parties on the parties buses. The Quartermaster will arrange for the loading of all parties' luggage onto the
buses at the Quad. immediately they arrive. Luggage should be loaded according to the order of departure of parties as given in the Annexure. The luggage of the Kalka party will be loaded onto the first bus to leave. The luggage of the children and Staff of various parties will be loaded onto the buses of these very parties and will not be loaded onto the buses of other parties departing earlier. The Quartermaster will also ensure that the two sets of serially numbered poles (used for sorting out and stacking luggage at Kalka railway station) are sent with Mr. Mukherji. Mr. Mukherji will be i/c of all luggage arrangements at Kalka and all problems and enquiries should be referred to him. It is specially pointed out that although Mr. Mukherji is in general charge of all luggage arrangements at Kalka, escorts on arrival there are required to assist him in supervising the sorting out at Kalka of the luggage which travels with them in school party buses to Kalka. Children must not be permitted to touch any of their luggage at Kalka railway station or to put it into trains until permitted to do so by Mr. Mukherji. No. 300. CONDEMNATIONS

Condemnations, except of Kitchen Matrons and House Matrons, will be arranged by the Bursar as soon as stock-holders request him in writing to do so.

Condemnations of Kitchen Matrons and House Matrons of all the three Departments will be conducted between the 14th and 21st November, according to a programme that will be issued to them separately. They should therefore start to take necessary action in the matter now.

No. 302. LEAVE ENTITLEMENTS TO VACATION DEPARTMENT STAFF

A file containing entitlements to vacation leave and to leave other than vacation leave, and particularly entitlements to such leave on giving or receiving notice, in writing, is available in the School Office.

Will those members of the Vacation Department who have not already signed the file as having been seen and studied and understood please do so immediately, but not later than the 20th of this month.
No. 303. RESIGNATION OF MEMBERS OF THE VACATION STAFF.

School Rule 10 (x) and (xii) requires that if a member of the vacation Staff, whether permanent (i.e. confirmed), temporary or on probation, wishes to resign with effect from the end of this term he must, in order to secure his full entitlement to winter vacation pay, submit his resignation in writing to the Headmaster before the end of the term.

In this connection it is clarified that a staff member resigning with effect from the end of this term will receive pay for the full entitlement to winter vacation pay irrespective of the actual date of his notice of resignation, provided that the notice reaches the Headmaster before the end of the term. For the purpose of winter vacation pay the notice will then be deemed to take effect from the day immediately following the last day of the term.

Staff members wishing to resign are therefore requested to submit their notice of resignation to the Headmaster as soon as possible, and in no case later than ten days before the end of this term, in order to enable all necessary administrative arrangements to be made in good time.

No. 304. IMPROVEMENTS, ALTERATIONS, SPECIAL REPAIRS TO SCHOOL BUILDINGS DURING THE WINTER VACATION

Would anyone, including House Staff, Kitchen Matrons, House Matrons, Heads of Departments etc., wishing to suggest any improvements, alterations, additions or special (as opposed to routine) repairs to School building during the forthcoming winter vacation please send in their suggestions in writing to reach the Bursar not later than 12th November next. This will enable such suggestions to be given proper consideration, including discussion on the spot with the sponsor and other persons concerned.

No. 305. BUILDINGS

The Engineer will arrange to inspect all the doors and windows of dormitories and residences etc., and ensure that they close properly and that each has a bolt. Staff concerned should see that this work is done before the 20th November next.

Will all House Staff and Staff I/c games and other activities please ensure that full reports are submitted to the School office at the earliest to enable the printing office to proceed with the preparation of material for the Magazine.

No. 307. ELECTRICITY CONSUMPTION
The total load of electricity consumption on our sub-station, especially at peak periods, is almost going beyond its capacity; it is, therefore, the concern of one and all that adequate care and precautions be taken to avoid unnecessary load and waste of electricity. The House Matrons, in particular, are requested to arrange to switch off all lights whenever they are not required. All electrical gadgets may please be brought in use to the bare minimum.

|                | Co-opted members |

No 309. CATAPULTS.
The use of catapults is both a disgrace and a source of considerable damage to school property. It is regretted that for this reason any boy found in possession of a catapult will render himself liable to severe disciplinary action. All House staff are requested to initiate necessary action in all cases.

No. 310. CHILDREN DISCHARGED FROM HOSPITAL.
It has been observed that children who have just been discharged from the hospital and are recovering from Fracture/Sprains/Convalescing after illness, get pulled, pushed around or involved in playing games, thereby resulting in re-admission, as the injury/weakness gets aggravated.
In order to prevent this, the R.M.O. will issue a **Red Band** to be placed on the arm of the children concerned, for a period prescribed by the R.M.O.

House Matrons and House Staff are requested to ensure that children concerned do, in fact, wear the Red Band on the arm for the period specified by the R.M.O.

SPECIAL ORDER

No. 354. GENERAL.

Special note for all Housemasters & Housemistresses.

Immediately on receipt of this Special Order please check up that children not included in any school party will definitely be travelling in a privately arranged home party. Where the position in respect of any child is uncertain please inform the Bursar immediately as nothing can be done at the last minute either to inform or enquire from parents or to include children in any school party.

(i) Children going home with their parents will be allowed to leave Sanawar after 9:00 a.m. on Saturday, 1st December, 1973 (home day). Such children must in no circumstances be permitted to leave Sanawar unless their parents/guardians, or their duly authorised representatives, call for them. The only exceptions to this rule will be senior children who go home to Kasauli.

(ii) Children travelling in school parties (except Bombay V.T. party) will also leave on the same day, as detailed later in this order.

(iii) Children in hospital on home day will not be allowed to go home unless certified fit to travel by the R.M.O. Such children will only be permitted to go home under arrangements of their parents/guardians and will not be allowed to travel with school parties.

(iv) No school bedding, clothing or other school property may be taken away from Sanawar. House Matrons must be careful about school clothes and ensure that they are not exchanged with home clothes. This rule must be strictly enforced.

(v) House Staff will please note that all demands in respect of individual children requiring travel money must be put in to the Bursar well in advance, and in no case later than Monday, 26th November, 1973. Requests for travel money required by individual children will not be entertained by office after that day.
The normal travelling money for school parties will be issued to escorts I/c on Thursday, 29th November, 1973 by the School Office.

(vi) Members of staff entrusted with sums of money for children in school parties must keep detailed accounts of all expenditure incurred. These details must show the exact amount of money handed over on the completion of the journey. The best course would be to hand money over direct to the parent or guardian meeting the child or to refund balances to the office. These detailed accounts of expenditure and all refundable balances should be submitted to the School Office immediately on the termination of escorts’ journeys.

(vii) Staff must ensure that all doors and windows are properly bolted before they lock their residences and departments. Broken window panes must be replaced before they leave. They will also please ensure that all electric lights are switched off and all water taps are turned off in their quarters and departments before they lock them.

(viii) Before leaving Sanawar all staff members must enter their leave addresses in the address book at the School Office, and during the vacation must keep the School Office up-to-date with changes of address.

All escorts will please personally see that the children under their charge maintain discipline at Kalka and during the journey. Senior boys and girls, particularly Prefects, are expected to assist escorts in this matter.

(ii) Immediately after reaching their party destinations members of staff acting as escorts in charge of school parties will report to the Bursar in writing the names of any children who acted in an indisciplined manner or failed to behave themselves properly during the journey. Special note: Stick-on labels must be pasted on the sides or fronts of tin trunks and NOT ON TOP. It will be the personal responsibility of House Matrons to ensure this.
(ii) Staff members and their families travelling with school parties are expressly requested to label their own luggage with these serial numbered labels. Such staff members must inform the Quarter-master by the evening of Thursday, 29th November, 1973 of the number of packages (luggage) to be collected from their quarters.

(iii) House Matrons are responsible for the correct labelling of the luggage of all children. They will please see that labels are firmly pasted on. They must first ensure that all old labels are completely removed. Party labels will be available in School Office on 28-11-1973.

(iv) Luggage of all children going to Simla must be ready at the Bakery by 7:30 a.m. on home day. The Quarter-master will arrange for this luggage to be transported to the Bakery from departments by the mazdoors and loaded onto the Simla bus, which will come up to the Bakery itself at about 8-15 a.m.

(v) Luggage of all children travelling in school parties (except the Bombay V.T. and the Simla party) must be ready before 8:00 a.m. on home day. Such luggage will be collected by school mazdoors from G.D. and P.D. from their respective dormitory varandahs and taken to Gaskell Hall. The Quarter-master will please ensure that first of all only tin trunks/boxes of all the parties (except the Bombay V.T. and the Simla party) are taken down by mazdoors from all Deptts. to Gaskell Hall—bistras etc. of these parties should only be taken down by mazdoors after all tin trunks/boxes have been taken from Departments. Boys of B.D. (except of the Bombay V.T. and the Simla party) will carry their own luggage out of their dormitories, and stack their luggage inside Gaskell Hall against the four walls, under Q.M’s supervision. Boys of N.B.D. will stack their luggage in the Nil-giri dormitory lower verandah. House staff will please ensure that this is done in an orderly manner. Mazdoors will then carry it into Gaskell Hall. In Gaskell Hall luggage will be sorted out and stacked according to school parties as shown above, i.e. in accordance with the serial numbers printed on their labels. The Engineer will further arrange to paint the appropriate serial numbers on all holdalls after they have been brought down to Gaskell Hall. He will please ensure very carefully that all previous painted serial numbers are thoroughly erased or defaced where they differ from the serial numbers of this occasion.
(vi) The Quartermaster will arrange for **two luggage trucks** to be present at the Quad **not later than 10-00 a.m.**. Heavy luggage, i.e. boxes, hold-alls etc. will be despatched by the Quartermaster to Kalka by truck not later than 11-00 a.m. However, in the cases of those parties which leave Sanawar last at about 6-30 p.m. (ordinarily the Pathankot and Calcutta parties), although their trunks should be despatched by truck by 11-00 a.m. their hold-alls and hand luggage should accompany them on the buses in which the parties themselves travel. The Quartermaster will please ensure this. **Luggage of the Kalka party will be loaded onto the first bus to leave Sanawar.** The Quartermaster will also ensure that the two sets of serially numbered poles (used for sorting out and stacking luggage at Kalka railway station) are **sent in the first truck.** Mr. Mukherji will be i/c of all luggage arrangements at Kalka and all problems and enquiries should be referred to him. It is specially pointed out that although Mr. Mukherji is in general charge of all luggage arrangements at Kalka, escorts on arrival there are required to assist him in supervising the sorting out at Kalka of the luggage which travels with them in school party buses to Kalka. **Children must not be permitted to touch any of their luggage at Kalka railway station or to put it into trains until permitted to do so by Mr. Mukherji. **Escorts and children will supervise the loading of their luggage into their compartments by station mazdoors after having been permitted to do so by Mr. Mukherji. Escorts of Delhi Jn. A,B, parties are requested to see that the luggage (Trunks and suit cases) of their parties is placed under the seats in their respective carriages, so as to keep the passage clear for movement.

(vii) The school accepts no responsibility for losses, and staff and children alike must supervise the loading of luggage.

(viii) Children are warned not to give any money to the school servants for carrying their luggage to Gaskell Hall or the Bakery or to porters at the Kalka railway station.

**ALLOTMENT OF ACCOMMODATION IN TRAINS.**

Mr. Achhar Singh of the School Office will be present at Kalka railway station and will be incharge of the allotment of seats in coaches to all school parties. Escorts are requested to contact him there in this connection.
