No. 155. SICK REPORT OUTSIDE OPD HOURS

It has been observed that there is a steady increase in the number
of children/staff/non staff reporting sick to the nursing staff on
duty in the duty room after OPD hours. This interferes with the
ward work. It is therefore requested that all routine cases must report during the regular OPD hours. Only emergencies will be attended to outside OPD hours. Children reporting outside OPD hours are requested to bring a permission slip from the ‘DoF’/DHM during classes and House staff at other times.

No. 156. VISIT TO THE HOSPITAL WARDS
All visitors will meet the patients in the visitors visiting area. No one is allowed to enter the wards without the prior permission of the medical staff present on duty.

No. 157. CHILDREN DISCHARGED FROM THE HOSPITAL
All children on being discharged from the hospital are given discharge slips. Those who are recovering from fractures, sprains or convalescing after illness get pulled, pushed around or are involved in playing games, thereby resulting in readmission, as the injury/weakness gets aggravated. The discharge slip also has information whether the child has to continue his/her medication. The House Staff/matrons are requested to ensure that they check these discharge slips and the concerned children follow the instructions.

No. 158. CHILDREN PROCEEDING ON MEDICAL/SICK LEAVE.
Currently when a child is sent home on medical leave he/she is issued a Medical Leave Pass [pink slip] by the RMO. A copy of this Pass is sent to the DHM, and House Master, Sr. Master/Mistress for information. Children being sent for out station specialist opinion from the school hospital return the same day except in those cases requiring hospitalization in hospitals other than the school hospital or if the child has left with the parent/guardian for a second opinion. Children not returning the same day are not given the medical sick leave pass. This Medical Leave information is entered in the Night Report.

The MI Prefects enter this information in the MI Registers for the concerned staff.

No. 159. CHILDREN RETURNING AFTER MEDICAL/SICK LEAVE
Children returning to school after sick leave irrespective of whether it is after the school reopens or during the term, are sent from the

He/she will, after a check-up by the RMO, be issued a green slip for the House staff confirming termination of medical leave and other details regarding activities etc., [one copy of this is sent to the DHM]. House staff will kindly observe this procedure and not accept a child back in the dormitory unless he/she produces this green slip. Acceptance of a child in the dormitory without the knowledge of the RMO may result in the treatment/restrictions being overlooked thereby leading to serious complications.

The House Staff is also requested to inform the RMO about any child extending his/her special school leave on medical grounds otherwise the extended school leave will not be treated as medical leave.

No. 160, M I REGISTERS

The M I registers have relevant information about those children who have reported sick during M I time and are in the Hospital. This information along with the night report information is duly entered by the M I Prefects and countersigned by the RMO. The registers are then kept in the Staff Room after the M I is over [after milk break]. The House Staff is requested to check the registers for the required information, which is as follows:

Name, House, disease, admitted, detained, excused, medical leave, outstation referrals, to report for evening M I at the Hospital and any other relevant information.

The night report has the following information:

In case of emergencies the child is taken directly from the school hospital and this information is then entered in the next night report]. The night report information is also entered in the M I Register by the M I Prefects.
The DoF, Sr. Masters BD & PD, Sr. Mistress and the concerned House-staff are requested to check these registers for the relevant information and sign.

No. 200. THE SCHOOL CLEANLINESS
The co-operation of all is requested to keep the School neat and clean in every way. At a residential school like ours it is necessary that we inculcate the habit of keeping everything tidy. Mr. G. S. Talwar (OS 55-64) has sponsored a scholarship to provide financial assistance to the children of the staff (Grade V-A to VII) whose children have not been educated in The Lawrence School, Sanawar and who have taken the Class XII Board Examination successfully and who want to pursue higher studies in the College/University. The Rules and regulations determining the eligibility of a child to be entitled for the scholarship have already been communicated to all the departments and copy of Rules and Regulations have also been provided to them.
