

Dear Parents,

Greetings from Sanawar!

We trust that this finds you and your family well and in good cheer.

We are very pleased to share with you certain patterns that have emerged from the Student as well as Parent surveys conducted.

In response to your suggestions the following has been incorporated:

- (1) Modification of the Time Table for the Junior classes in line with your request for a lighter workload. Saturday has now become a day when the Junior students pursue Hobbies and Sports and get a break from academics.
- (2) Teachers are preparing and sharing study material, important notes and PowerPoint presentations to further help students as per the feedback received.
- (3) In addition to teaching online, teachers are providing worksheets for practice and revision. Students can access this valuable material both online and offline.

Please do keep the lines of communication open. You may send your feedback/suggestions by email to dof@sanawar.edu.in. In case it is about a particular subject, please mark a copy to the following HoFs:
