**Dear Parents,**

Greetings from Sanawar!

I trust that you and your family are keeping safe in these trying times.

I am writing to you with reference to the student and the parent surveys sent out earlier this month.

Thank you to those students and parents who have taken the survey. However, there are many parents and students who have not taken the survey. May I request you to kindly ask your child to take the survey and to take the survey yourself in case you are yet to take it.

Wishing you and your family the best of health.

Stay safe.

With best regards,

**Himmat S. Dhillon**
