Subject:- Certificate Regarding Safe Drinking Water & Sanitary Conditions

Sir

As per your application on dated 17/12/2020 it is stated that two samples of drinking water were taken up and tested at CTL Kandaghat on dated 9/02/2021. Both samples get passed and according to the report, it is certified that water in your school is safe for drinking & sanitary conditions is satisfactory.

You are also advised that after every six months water should be tested at CTL Kandaghat.
