Section A (Reading – 30 Marks)

A. Read the following passage carefully and answer the questions that follow:

In a quiet coastal town, there lived a fisherman named Thomas. He was well-respected for his dedication to his craft and his knowledge of the sea. Every morning, Thomas would set out early in his small boat, navigating the waves with skill and precision. The townspeople often admired his determination, as he would spend long hours fishing, no matter the weather.

One day, while out on the water, Thomas noticed something unusual: a large net floating aimlessly. As he drew closer, he discovered that the net was entangled with several fish and a baby dolphin. Without a second thought, Thomas sprang into action. He carefully freed the fish and the dolphin, making sure not to hurt them. The dolphin chirped in gratitude and swam alongside Thomas's boat for a while, as if to say thank you.

When Thomas returned to shore, he shared his story with the townspeople. Inspired by his bravery and compassion, they decided to organize a community event to clean up the ocean and protect its wildlife. From that day on, the town worked together to ensure the sea remained a safe home for all its creatures, and Thomas became a local hero.

प्रश्न- निम्नलिखित गद्यांश पढ़कर दिए गए प्रश्नों के उत्तर लिखिए -

आश्चर्य की बात है कि मनुष्य कभी अपने आप से यह प्रश्न नहीं करता कि उसे क्या चाहिए? सामान्य रूप से वह जानता है कि उसे अच्छा काम-धंधा चाहिए, सुख-वैभव और विलास चाहिए लेकिन यह सब ऊपर की बातें हैं। सब बातों के नीचे एक रहस्य और है - मनुष्य का परमात्मा से कटा होना। यह करना ही उसके सब दुखों का कारण है। इसी दुख की पूर्ति के लिए कभी वह रिश्ते नाते जोड़ता है, कभी सांसारिक सफलता पाकर खुश होता है। लेकिन सफलता का सुख भी उसे पूरी संतुष्टि नहीं दे पाता। गौतम बुद्ध को भी सांसारिक सुख पसंद नहीं कर पाए थे। तब उनके मन में प्रश्न उठा था कि आखिर मुझे संतोष कैसे मिलेगा? इस प्रश्न का उत्तर उन्हें बड़ी साधना से मिला। गौतम बुद्ध परमात्मा को नहीं मानते थे। उन्होंने यह निष्कर्ष निकाला कि करुणा से मानव जीवन सुखी हो सकता है। करुणा करने वाला अपने लिए नहीं दीन-दुखियों के लिए जीता है। इसी में उसे आनंद मिलता है। वास्तव में मानव का लक्ष्य यही आनंद पाना है।

1. सामान्य तौर पर मनुष्य जीवन में क्या चाहता है? उसका सच्चा लक्ष्य क्या है?
2. मनुष्य जीवन का वास्तविक कष्ट क्या है?
