Section A (Reading – 30 Marks)

A. Read the following passage carefully and answer the questions that follow:

In the heart of the bustling city, a remarkable library stood tall, housing thousands of books from various genres. The library was not just a place for reading; it was a sanctuary for many who sought knowledge and inspiration. Among the visitors was a young girl named Maya, who had a deep love for stories and an insatiable curiosity about the world.

One rainy afternoon, Maya discovered an old, dusty book tucked away on a forgotten shelf. Intrigued, she pulled it out and began to read. The book told the tale of a brave explorer who ventured into uncharted territories, facing numerous challenges along the way. As she turned each page, Maya felt as if she were on the adventure herself, experiencing the thrill of discovery and the weight of uncertainty.

Inspired by the explorer's journey, Maya decided she wanted to embark on her own adventure. She began to research various cultures and places, dreaming of traveling the world. The library became her second home, a place where she could gather information and fuel her imagination. Maya learned that the world was full of possibilities, and every book opened a new door to knowledge.

As time passed, Maya not only excelled in her studies but also grew into a confident young woman. She realized that the stories she read were not just fiction; they were blueprints for her dreams. With determination and passion, she set her sights on becoming an explorer and sharing her experiences with others, just like the characters in her beloved books.

प्रश्न- निम्नलिखित गद्यांश पढ़कर दिए गए प्रश्नों के उत्तर लिखिए -

आश्चर्य की बात है कि मनुष्य कभी अपने आप से यह प्रश्न नहीं करता कि उसे क्या चाहिए? सामान्य रूप से वह जानता है कि उसे अच्छा काम-धंधा चाहिए, सुख-वैभव और विलास चाहिए लेकिन यह सब ऊपर की बातें हैं। सब बातों के नीचे एक रहस्य और है -मनुष्य का परमात्मा से कटा होना। यह करना ही उसके सब दुखों का कारण है। इसी दुख की पूर्ति के लिए कभी वह रिश्ते नाते जोड़ता है, कभी सांसारिक सफलता पाकर खुश होता है। लेकिन सफलता का सुख भी उसे पूरी संतुष्टि नहीं दे पाता। गौतम बुद्ध को भी सांसारिक सुख पसंद नहीं कर पाए थे। तब उनके मन में प्रश्न उठा था कि आखिर मुझे संतोष कैसे मिलेगा? इस प्रश्न का उत्तर उन्हें बड़ी साधना से मिला। गौतम बुद्ध परमात्मा को नहीं मानते थे। उन्होंने यह निष्कर्ष निकाला कि करुणा से मानव जीवन सुखी हो सकता है। करुणा करने वाला अपने लिए नहीं दीन-दुखियों के लिए जीता है। इसी में उसे आनंद मिलता है। वास्तव में मानव का लक्ष्य यही आनंद पाना है।

1. सामान्य तौर पर मनुष्य जीवन में क्या चाहता है? उसका सच्चा लक्ष्य क्या है?
2. मनुष्य जीवन का वास्तविक कष्ट क्या है?
