

# \*A Memorable Math Quiz Experience in Mumbai\*

## INFINITY 2026 – The Ultimate Math Championship

The 12th edition of **INFINITY – The Ultimate Math Championship**, organized by **Aditya Birla World Academy** in association with **BITS Pilani**, was held in **Mumbai** from **January 8–10, 2026**. This prestigious Inter-School Mathematics Championship brought together some of the brightest young mathematical minds from across India for three thrilling days of strategy, speed, creativity, and logical thinking.

**The Lawrence School, Sanawar** was proudly represented by a contingent of 12 students in the Senior and Advance categories. The team secured an impressive **10 awards**, including:

- 🏆 2 Trophies
- 📜 8 Certificates

The championship commenced with an inspiring opening ceremony featuring eminent speakers who motivated students to think critically and apply mathematical concepts with confidence. Participants showcased creativity, innovation and sharp reasoning while solving complex mathematical challenges.

The atmosphere was electric as teams demonstrated resilience, teamwork and mathematical brilliance.

### Top Team Awards:

- **Senior Category:** Aarav Maini, Atharva Roy and Advait Singh
- **Advance Category:** Arshia Rawal, Hardik Ahuja and Dhairya Sukhwani

### Individual Achievements:

- **Silver Award (First Runner-up) – Clash of Mathematicians Round: Dhairya Sukhwani**
- **Bronze Award (Second Runner-up) – Clash of Mathematicians Round: Aarav Maini and Astitva**
- **Merit Certificates: Kaustav Goyal and Advait Singh**

The INFINITY - 2026 experience proved to be an enriching academic journey, strengthening students' analytical abilities, teamwork, and self-confidence. It was truly a rewarding and memorable learning experience for all participants.
