2. Conduct regular awareness sessions for students (at admission and every six months).
3. Organize skits, role plays, poster campaigns, and documentaries on drug abuse.
4. Obtain consent from parents and students for random drug screening tests.
5. Work with law enforcement agencies to maintain a drug-free campus.

9. Reporting and Monitoring

- Any Student or the Staff member who becomes aware of a violation is expected to report it to the Matron, Tutor House Master/House Mistress, Sr. Master, Sr. Mistress(GD/PD), DoF or to the School Counsellor.
- The matter to be escalated to the DHM and DHM constitutes a Disciplinary Committee in accordance of the policy of the school with the approval of the Headmaster.
- Any student or staff member suspected of substance use will be referred to the school infirmary for medical assessment and appropriate support.
- Reports will be handled with sensitivity, confidentiality, and fairness, keeping the best interest of the child as paramount.
- The School reserves the right to conduct searches of belongings, dormitories, lockers, or baggage when there is reasonable suspicion, in accordance with boarding school norms and child protection guidelines.
- Records of incidents and interventions shall be maintained as per the School Rules and Regulations.

8. Counselling and Support

- The School believes in corrective, reformatory, and rehabilitative approaches consistent with CBSE child-centric guidelines.

- Students found violating the policy may be referred for counselling, behavioral intervention, medical assessment, or external professional support if required.
- Parents/guardians will be informed promptly and involved in all corrective and rehabilitative measures.
- Confidentiality shall be maintained, subject to legal and safety obligations.

9. Disciplinary Action

Violation of this policy shall invite strict disciplinary action, proportionate to the gravity of the offence and as per CBSE norms and school rules, which may include: -
Written warning and counselling. - Suspension from school/Withdrawal from school

The School reserves the right to inform law-enforcement or statutory authorities wherever required under law.

10. Role of Parents/Guardians

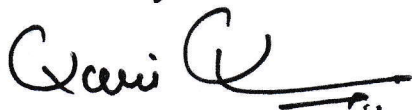

Parents/Guardians are expected to work in partnership with the School by educating their ward(s) about the dangers and legal consequences of alcohol, tobacco, and drug abuse. They must ensure that no prohibited substances or materials are sent to the School or brought during visits or leave. Any prescribed medication to their wards must be declared to the School RMO. Parents and guardians are expected to cooperate fully with the School in implementing this policy, including counselling and disciplinary actions.

11. Review of Policy

This policy shall be reviewed periodically by the School Management to ensure continued compliance with CBSE guidelines, statutory requirements, and best practices for boarding schools. Amendments, if any, shall be binding on all stakeholders. The decision of the School in interpretation and implementation of this policy shall be final.

The Policy may be reviewed after two years.
